

Breakfast in the Classroom

Procedure for Teachers

1 Pick up blue bag(s) with your name on them from cafeteria or designated area and take back to your classroom

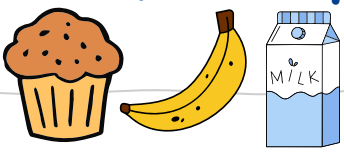

2 Once in classroom, open blue bag(s) for access to breakfast items

3 If student would like breakfast, student must select the main entrée and fruit (Milk is optional)

4 Teacher must complete the provided paperwork to document which students have taken a breakfast

5 Students who have taken a breakfast may choose to put unwanted & uneaten items into a separate container (or share basket)**
These items may be consumed at a later time by other classmates.

6 Before lunch-time or as classrooms go to lunch, return paperwork and blue bag(s) with any untaken food items to cafeteria associate
