

The background of the image is a photograph of the Bedford North Lawrence High School building, taken at dusk or dawn. The building is a two-story structure with a light-colored facade. On either side of the central entrance, there is a large, stylized logo on the wall. The logo consists of a central star-like shape surrounded by several overlapping, curved lines that form a larger, more complex shape. The text "BEDFORD NORTH LAWRENCE HIGH SCHOOL" is visible on the building's facade, centered above the entrance. The overall image has a dark blue color cast.

THE NEW INDIANA DIPLOMA: EARNING CREDITS FOR SY 2025-2026

The new Indiana diploma, effective for all students beginning with the class of 2029, includes a base (minimum requirements) for every student, plus the opportunity to earn readiness seals aligned with their unique path. Students are encouraged to seize this flexibility by personalizing their high school experience. The new seals provide additional intentionality to minimize readiness and are designed to be permeable, allowing students to update their graduation plan and pivot, if their original interests and goals change. Students who do not earn a seal must still complete components 2 and 3 of Graduation Pathways.
