Method of Selection

Selection will be made by a scholarship committee selected from the George F. Rosel family and based upon the students' application requirements & eligibility. Primary emphasis will be given to the applicants character and extra curricular activities.

Scholarship Amount

The Rosel Family Scholarship will give a minimum of 2.5% of the principle value of the fund as of December 31st of each school year, awarded on a semester basis. The scholarship monies for the spring semester will only be awarded once the scholarship administrator has received the fall semester grades.

There may be up to 4 scholarships (a graduating LHS senior, and recipients that have been renewed). The recipients will each receive ¼ of the total scholarship. If a student does not reapply or meet criteria to renew, those monies will remain in the fund. The beginning balance of the scholarship fund is 100,000. The scholarship committee will determine the final scholarship amount that is to be awarded on a yearly basis, as of the December 31st fund balance.
