

2/20/26

Dear Wyoming Families,

Although we only had four days with students this week, we made it count. Everyone did a great job! As we wrap up another fantastic week at Wyoming High School, we want to celebrate the energy and enthusiasm ACES brought to our Flex assembly on Thursday. It was a fantastic assembly focused on Historically Black Colleges and community engagement! Our students are such great leaders, poised speakers, and unbelievably talented!

Looking ahead, please note the unique schedule on Tuesday, February 24th, as students will be engaged in important activities, including YouScience, the PreACT, and the ACT. **Please also note that students will be dismissed from school once the testing window has closed at 11:30 a.m. on Tuesday!** Seniors do not report to school on Tuesday.

Also happening next week, students can look forward to enjoying some delicious food during lunch on Wednesday, February 25th, courtesy of ACES, before closing out the week with a blood drive on Friday. Thank you for your ongoing support in creating meaningful opportunities for our students! We wish everyone a wonderful weekend!

Blood Drive Information/Permission:

Dear parent/guardian:

High school students throughout the area have been sharing the “gift of life” through organized blood drives for more than 20 years, in fact more than 13 percent of the total yearly blood collections by Hoxworth come from high school drives. It is one of the many ways that students learn the value of community service.

In conjunction with the Hoxworth Blood Center, Wyoming High School is hosting a blood drive on **Friday, February 27th, 2025**. Volunteer blood donors, like your child, will help meet the needs of patients in area hospitals. Many students have signed up to participate by giving blood on this day. Please speak with your child about this opportunity and if they have signed up or are considering donating. They can sign up through this link: hoxworth.org/groups/cowboys

According to state law, blood donors must be at least 17 years old, or 16 years old with parental consent (consent forms must be obtained from Mrs. Marsh in room 210), weigh at least 110 pounds, and be in good health to donate. To ensure their safety and the safety of the patients, a thorough and confidential pre-screening will be performed by Hoxworth staff on each donor prior to donation. It is important to **eat a good meal and drink plenty of fluids** within four hours prior to donating blood, so please encourage your child to do so on the day of the blood drive.

For students participating in an athletic event or a long distance run later that day, we recommend that they do **not** give blood at this time. We encourage them to visit a Hoxworth Center in the area (<http://hoxworth.org> or (513) 451-0910 to schedule) and tell them that it is part of the WHS donation.

Your support is greatly appreciated. **If you have any questions, concerns, or would prefer that your child does not give blood, please Christin Marsh at marshc@wyomingcityschools.org.**
