Items That RHS Counselors DO NOT MANAGE

- College schedule and course availability.
 - It is the student's responsibility to ensure you are at your college exams on the date and time outlined in your syllabus. Please plan accordingly.
 - College breaks/holidays are not the same as ours!
 - College classes fill up quickly! Don't wait to register.
- Acceptance Process and Holds on Admissions or Registration
 - Students should contact the DE Office at the college.
 - Troubleshooting hold on Admissions or Registration
- Communication between student and the college about individual situations - an absence, missed assignment, textbooks, etc . . .

Your RHS counselor is here to advise and support your DE process, but it is important to remember that you will be an independent college student while you are still in high school and must meet the same expectations of an undergrad student!

Tips For Dual Enrollment Success

- ▶ ALWAYS check your COLLEGE EMAIL ACCOUNT
- ▶ Check personal email account regularly
- ▶ STUDENTS (YES STUDENTS) need to complete the application process THEMSELVES!
- ▶ Communicate directly with the college with questions about the DE application, registration, classes, grades, textbooks, etc . . .
- ▶ Clear any holds on your accounts as soon as possible so you do not delay registration.
- ▶ Communicate any and all college schedule changes to you RHS counselor BEFORE you make the change. You will need approval to drop a class!
