# Registration

(2026-2027 School Year)

# Registration Time!

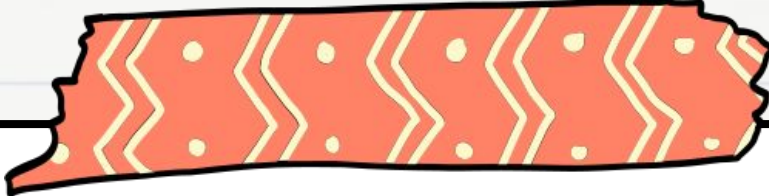

- It is once again time for students to make their course requests for next school year! Course requests made will have a direct impact on courses offered & scheduled for students, so please **make sure you are selecting courses that are appropriately challenging & right for you.**
- When selecting courses, keep in mind that **AP courses cannot be dropped after you sign up for them.**
- Counselors will meet with all students individually to finalize course selections!

# Registration Card

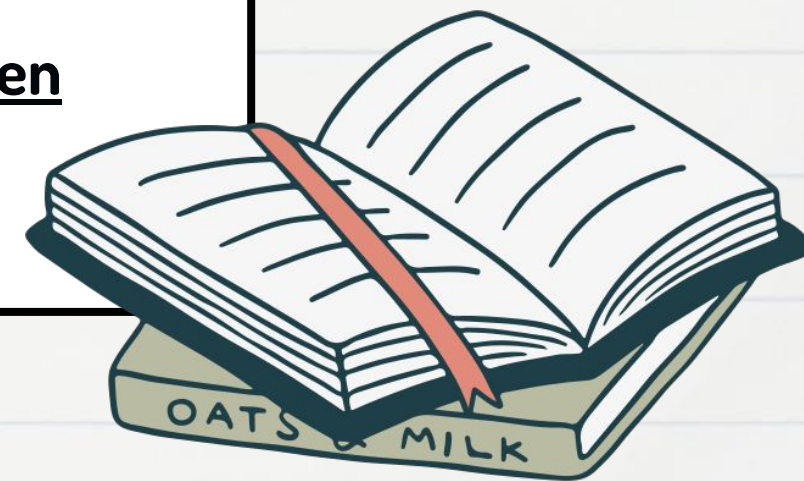

- You will receive a registration card with options available for your upcoming grade level.
- You should choose your classes during advisory on 2/9. You will then be expected to review your selections with a parent/guardian no later than 2/16 as counselors will begin meeting with students on 2/17.
- **Counselors will meet with all current students during 2nd period. When meeting with the counselors, you must bring your registration card & be ready to go over your choices!**
- **Course selections will be finalized after meeting with counselors & no changes can be made afterwards.**
- Schedules will be shared with students over the summer.

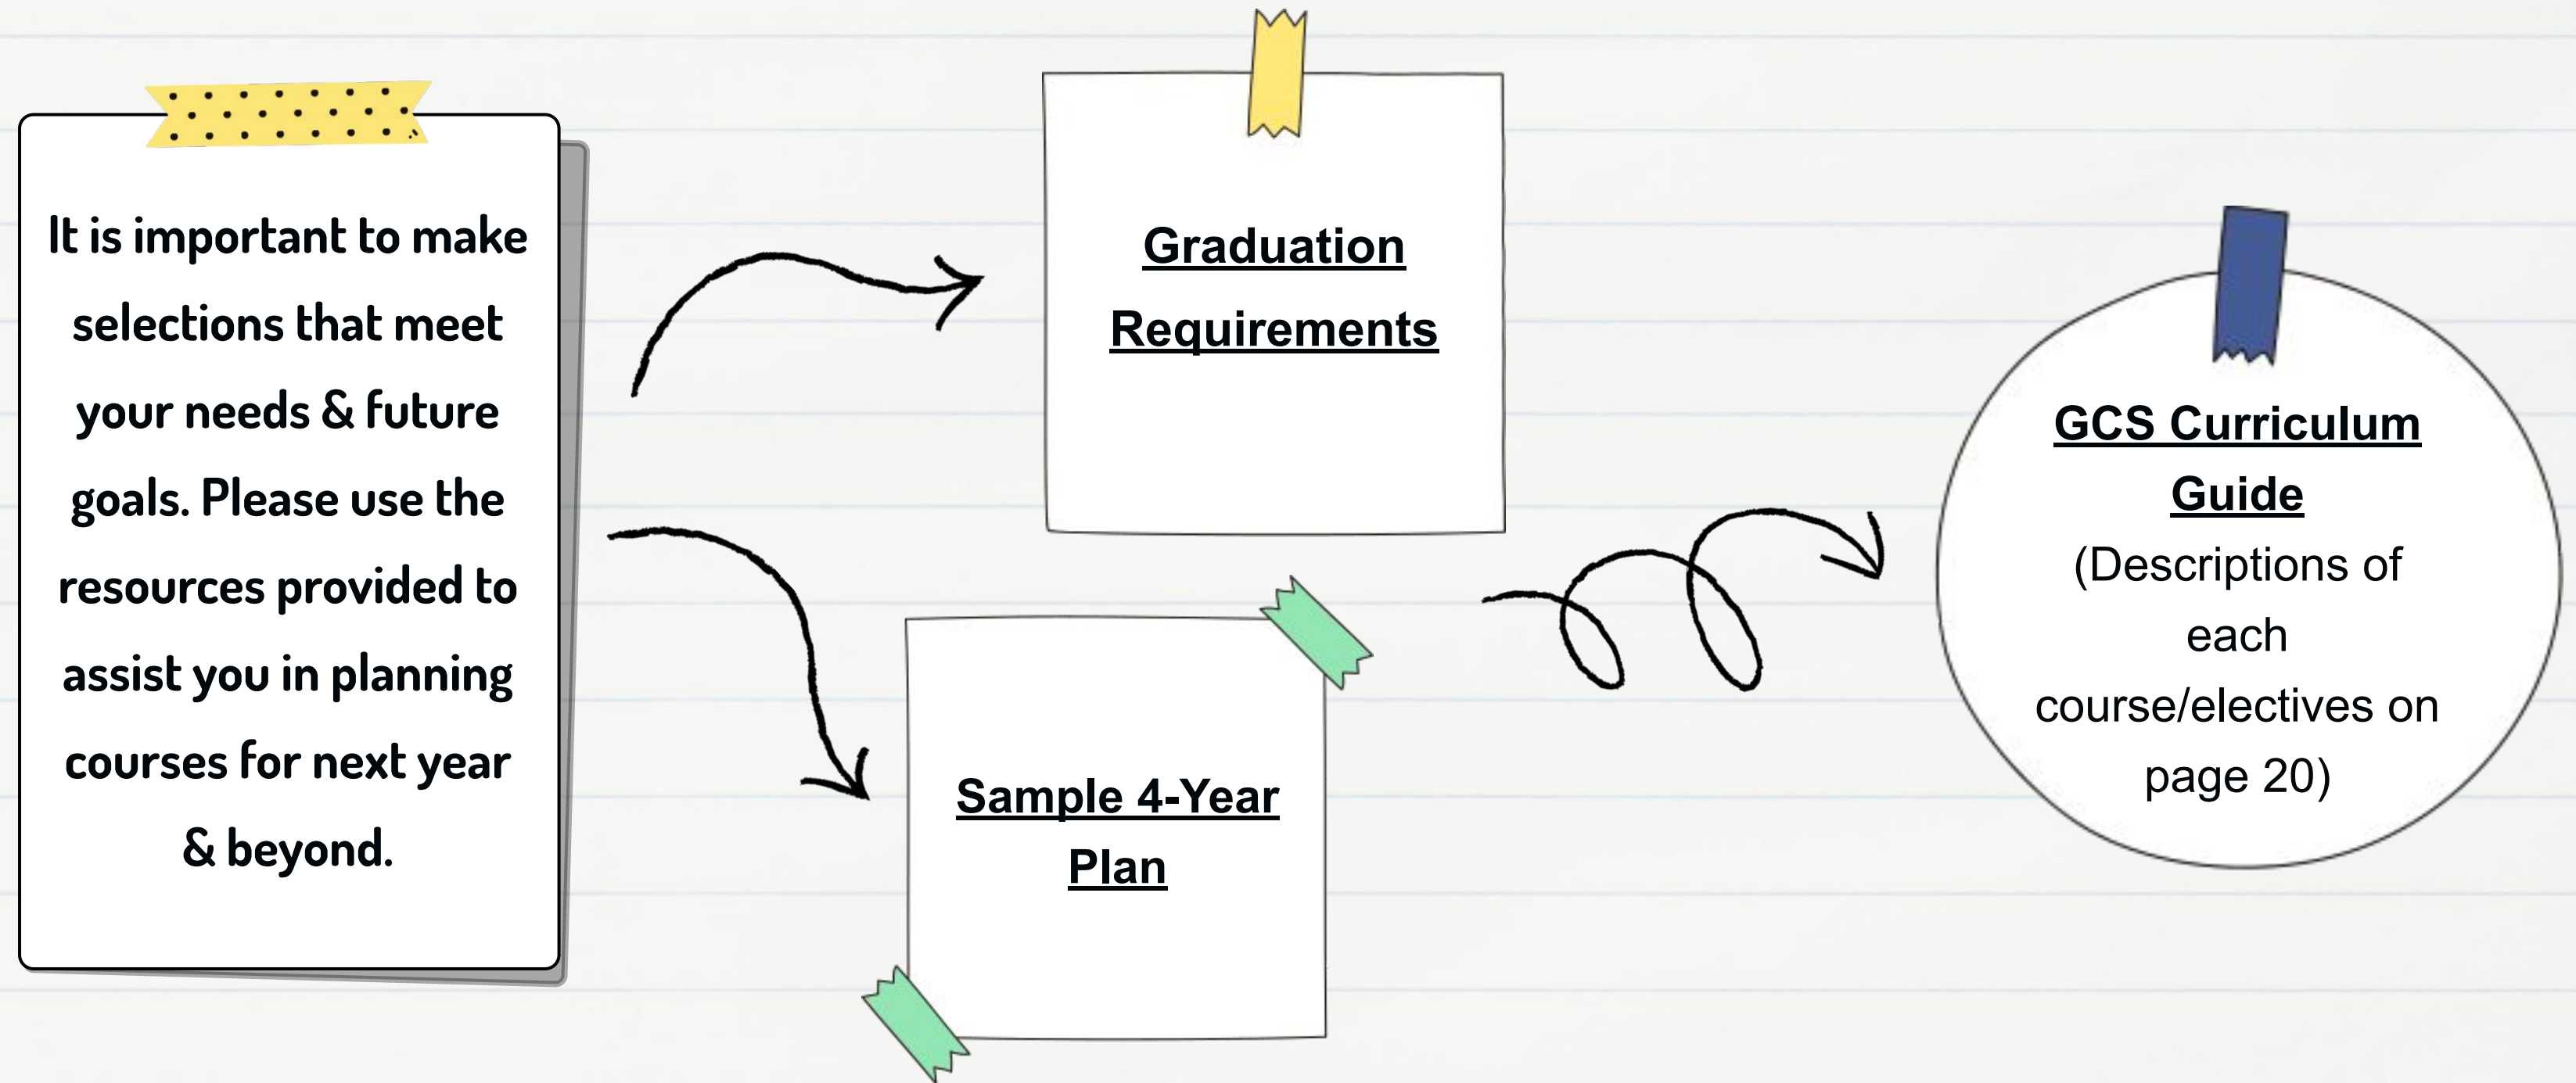

# Registration Tips

- Review graduation requirements & determine your elective concentration area. Please review graduation requirements on the following slide.
  - **All GCS students should earn 28 credits to graduate.**
- **Select 8 courses 3 alternates.** CCP course requests will not be accepted until approved by Gaston College - this means you will need to pick 3 alternative electives besides CCP courses.
- Seek teacher input.
- Discuss and review courses selections with a parent/guardian.
- Make sure your selections are right for you, and not your friends!
- Some classes require teacher approval prior to requesting the course. This is noted on your registration card.
- **Complete the selection process on your registration card & bring the paper with you when you meet with counselors for registration!**

# What course is right for you?

# Important Notes for Rising Freshmen

- All 9th grade students are required to take Health/PE.
- All 9th grade students are required to sign up for one pathway. This pathway can be through CTE, arts, or the CP Academy.
- If you have taken & passed Math 1 for high school credit, you will be required to take Math 2 or Math 2 Honors.
- If you have taken & passed Earth/Environmental Science for high school credit, you must take an additional science credit. Research Methods Honors is recommended. (Stanley MS Only)
- If you have taken & passed World History for high school credit, you will be required to select an additional history elective.
- 9th grade students are not able to take level one world language. Students may sign up for Spanish 2 only if they have taken & passed Spanish I for high school credit.
- CP Academy students must sign up to take Research Methods Honors.
- **Your middle school counselor will meet with you to assist with course selection. High school counselors will also meet individually with all students to review course selections!**
