The Heritage School seeks a Middle School mathematics teacher for grades 7 and 8 to begin in August of 2026. Experience and expertise with middle school learners is required. The successful candidate will demonstrate flexibility and expertise in reaching all types of learners, while emphasizing and utilizing hands-on experiences within the curriculum. Candidates must have the ability to meet the unique social-emotional needs of the middle schooler as well as possess an excellent sense of humor, stellar communication and organizational skills, and the ability to deliver high-quality instruction.

Founded in 1970, The Heritage School is a co-educational, independent, college preparatory school committed to providing an environment that develops the mind in preparation for college and later life, the body through competition and teamwork, the spirit through self-awareness and growth, and camaraderie through shared experience. Mind, body, spirit, and camaraderie are infused throughout the opportunities offered on and off campus in academics, fine arts, athletics and service. The ideal candidate will demonstrate a balanced approach to these areas throughout his or her personal and professional life.

Located in a pecan grove in Newnan, GA, The Heritage School's beautiful 73-acre campus offers opportunities for students and faculty from PreK 3 through 12th Grade to interact in meaningful ways every day. Newnan is situated in the heart of Coweta County, just south of the Atlanta airport. With a population over 130,000, the community offers families the advantages of a small town with the appeal of a nearby metropolis.
