*represents a teacher recommendation that is given in May, or a student must have a certain grade or previous course requirement. (See Catalog for details)

*****My student and I have read and understand the course catalog and information on this card. My students elective choices are based on availability, which begins with seniors and we realize alternates may be used. Students who request & are approved for Honors, Dual Enrollment, or AP will NOT be able to drop a course level (per County Curriculum Guide). They must stay in the level they requested. Students may not drop a course or level because they change their minds, didn't do summer reading or desire a different teacher or schedule.**
