Student Foreign Exchange Program

It is the goal of Katy Independent School District (KISD) to provide international students from diverse cultures, who are approved for enrollment, the opportunity to experience the rewards of participating in quality educational programs, to meet and interact with students with a variety of interests, and to become more fluent in both written and spoken English.

Foreign Exchange Students must attend the high school to which their host family residential address is zoned. Acceptance is granted on a first-come/first-serve basis after all required components of the application process have been met.
