Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for Mill Creek Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about accountability, student assessment, and teacher quality. If you have any questions about the AER, please contact Principal Brett Pedersen for assistance.

The AER is available for you to review electronically by visiting the following website: [Mill Creek Middle School AER](#), or you may review a copy in the main office at your child's school.

For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student group in 2024-25. An Additional Targeted Support (ATS) school is one that had at least one student group performing at the same level as the lowest 5% of all schools in the state in 2021-22. A

Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, failed to exit CSI status in 2024-25, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

Our school has not been given one of these labels.

In our continued commitment to academic excellence, our school is actively implementing key initiatives to accelerate student achievement and close persistent gaps. Central to this effort is a focus on personalized, competency-based learning, ensuring that each student progresses at their own pace while developing a deep understanding of essential concepts. To support this, we have established targeted interventions and support systems that provide students with the resources they need to thrive. Our commitment to an equitable learning environment remains steadfast as we work to eliminate achievement disparities. Through these initiatives, we strive to create a dynamic and empowering educational experience that prepares every student for success.

State law requires that we also report additional information.

1. The Dexter Community Schools are organized by grade-level bands on one central campus. All Seventh and Eighth Grade students are assigned to Mill Creek Middle School.
2. Our school improvement plan is aligned with the district strategic plan and includes goals for: culture; equity; extended learning opportunities; and personalized competency-based learning actualized through a learning continuum.
3. The implementation of the Dexter Community Schools curriculum is continually supported by district and building-level professional development along with monitoring by building principals and central office supervisors. This ensures appropriate instruction and equitable access to the curriculum for all students. Standards are based on the Common Core State Standards which can be found at www.corestandards.org.
4. Aggregate student achievement results can be found below:

The staff at Mill Creek is committed to providing a supportive and enriching learning environment where all students can grow academically, socially, and emotionally. Our educators work collaboratively to identify and implement strategies that meet the diverse needs of our students, ensuring they have the resources and encouragement to succeed. Mill Creek Middle School has a team of dedicated middle school professionals who are passionate about fostering a positive and engaging school experience for both students and their families.

In Dexter, we are fortunate to have engaged and supportive parents who play an essential role in our educational community. The welcoming and dynamic atmosphere at Mill Creek Middle School is a direct result of the strong partnerships between students, families, and staff, all working together to create an environment where every child feels valued and empowered.

Sincerely,

Brett Pedersen
