

6025 Student Cell Phone and Other Electronic Devices

Students are prohibited from using cellular phones or other electronic devices while at school, except as provided in this policy or as deemed appropriate by a student's education team.

Students at Ralston High may use cell phones or other electronic devices responsibly and respectfully and comply with all other school rules while using the device on school sidewalks and in the common areas of the school before and after school, during passing periods, and during lunch so long as they do not create a distraction or a disruption and comply with all other policies and handbook provisions. Students attending Ralston Middle or any Ralston Elementary schools are prohibited from using their cell phones or electronic devices unless given express permission by a faculty member during school hours.

By bringing their cell phones and other electronic communication devices to school, students consent to the search of said devices by school staff when permitted by law.

Students may not have cell phones or electronic devices on while they are in locker rooms, restrooms, or any other area in which others may have a reasonable expectation of privacy.

The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (including things like texting, sexting, e-mailing, etc.) may constitute a crime under state and/or federal law. Any person engaged in these activities while on school grounds, in a school vehicle or at a school activity will be subject to the disciplinary procedures of the student code of conduct.

While on school property, at a school activity, or in a school vehicle, students may not use their cell phones or electronic devices to bully, harass, or intimidate any other person as governed by the student code of conduct.

Students shall be personally and solely responsible for the security of their cell phones and pagers. The district is not responsible for theft, loss or damage of a cell phone or any calls made on a cell phone.

Students may use cell phones or other technology in classrooms only with the express permission of the classroom teacher.

Students are strictly prohibited from sending, sharing, viewing, or possessing pictures, text messages, emails or other material of a sexual nature in electronic or any other form on a computer, cell phone, or other electronic device while at school. Students who possess prohibited material on their cell phone or other electronic device while at school shall be subject to disciplinary consequences as articulated by the student handbook.

Students who violate this policy or other school rules may have their cell phones or electronic devices confiscated. The administration will return confiscated devices to the offending student, after discussing the rule violation with the student. Students who violate this policy may, at the discretion of the school's administration, be subject to additional discipline, up to and including suspension.
