

Owasso 8th Grade Center Course Selection Planning Guide: 2026-2027

Student Last Name: _____ Student First Name: _____ ID#: _____

Parent Email: _____

Required Core Classes

All Owasso 8th grade students are required to take English, Math, US History, and Science. In addition, 2 electives are taken for a 6-hour day.

Advanced Classes

Advanced classes are offered in English and US History. The purpose of advanced classes is to challenge students to think about concepts in a deeper, more critical way. Students will be expected to go beyond grade level standards in order to fully understand the complex connections.

High School Credit Classes

High School credit can be earned for the following classes:

Algebra I	Geometry
Physical Science	
Spanish I	French I
FACS Basics	8th Grade Theatre I
8th Grade Concert Choir	8th Grade Art I
8th Grade Concert Band	

Important Reminder! Students completing Algebra I or Geometry as 8th graders are still required to earn three additional math credits in grades 9 - 12 for graduation.

!!PLEASE NOTE!! Students who fail two or more 7th grade classes and/or score below proficient on the State Test may be placed in Strategies for Academic Success as an elective. Our goal is to ensure all students have ample opportunities for success.

Every effort will be made to accommodate students with their elective choices; however, some classes may not be offered for the 26-27 SY.

Electives

Choose four (4) electives.
Number in order of preference.

- ___ Agricultural Orientation & Exploration
- ___ Concert Band (H.S. Credit)
- ___ Art I (H.S. Credit)
