

Wilson Hall Middle School

Critical Initiatives

- Administer student surveys giving them an active voice in their learning experience.
- Utilize formative and summative assessments to support student understanding as well as address weaknesses and monitor growth in math and reading.
- Provide collaborative learning opportunities to use higher order thinking skills to establish effective communication.
- Model leadership behaviors that demonstrate positive character traits.
- Incorporate technology tools such as educational platforms and multi-media resources to enhance student learning and promote academic growth in math and reading on the ACAP Summative Assessment.
- Ensure that students have the opportunities to engage with a variety of interactive activities.
- Promote programs and activities that build character and enhance cultural diversity.
- Provide opportunities for students to participate in extra-curricular activities such as clubs, sports, or arts.

Critical Initiatives

- Promote programs that enhance parental and community involvement and support.
- Engage students and parents in community service-learning projects that promote a sense of responsibility.
- Build and maintain relationships with community stakeholders which promotes involvement in student academic success.
- Participate in local business and community events.
- Utilize online platforms as a vehicle of communication with parents and stakeholders.
- Communicate with parents to discuss student progress and any issues or concerns.
- Openly communicate about school activities, achievements, and other events.
- Celebrate student successes.

Critical Initiatives

- Utilize faculty and staff surveys to provide relevant ongoing professional development opportunities.
- Partake in professional learning communities.
- Utilize curriculum materials to facilitate personalized student learning abreast to state standards.
- Engage in meaningful learning opportunities to promote student growth in math and reading on the ACAP Summative Assessment.
- Recognize and celebrate improvement and success from professional learning.
- Provide on-going professional support to equip faculty/staff with tools to facilitate success.
- Utilize free counseling through EAP (Employee Assistance Program)
