6th Grade Registration Worksheet for 2026-2027

Directions for Registration

- 1. This worksheet is for your information only. Families must complete the Online Google Form emailed to you and linked on the IMS Website by Monday, March 23, 2026.**
 2. The IMS Registrar will enter the elective choices for each student into the computer scheduling system.
 3. If families have questions about the registration process, there will be a station devoted to registration at “Gator for a Night” on **Wednesday, March 18, 2026.**
 4. Parents should notify IMS Counselors Dru Klein (students with the last name A-G) at 206-230-6153, Janet Goldstein (students with the last name H-O) at 206-275-5958 or Jayna Dash (students with the last name P-Z) at 206-230-6098 or IMS Registrar Marcy Berejka at 206-230-6160, if they have questions.
- *Students who are in specialized programs (HiCap, ELD, SpEd, etc.) will be enrolled in those courses at a later date, but still need to select electives at this time.
- **Math proficiency testing will occur after school at your respective elementary schools on **May 27, 2026**. A Nomination form will be available **from April 1, 2026 until 5pm on Tuesday, May 12, 2026**.
