### WELCOME TO THE INFORMER

#### IEA Celebrating 50 Years of Education in 2026

#### Welcome Back to KoroBoro

#### Dear Students, Parents and Staff

Welcome back to the KoroBoro International School for the 2026 school year!

#### Theme: This year's focus is Curiosity and Creativity in Education! A great theme don't you think!

We are thrilled to extend a warm welcome to both our returning families and those who are joining us for the first time. We are dedicated to fostering a year of growth, connection and success for all our students.

As always, our commitment is to nurture a safe, fun and focused teaching and learning environment, ensuring academic and personal excellence for every student under the School's Mission Statement.

We have exciting plans and initiatives lined up for our students! Our curriculum continues to blend academic quality with a holistic development, featuring engaging lessons, hands-on activities and opportunities for collaboration creativity and curiosity. Moreover, we will enhance our integration of technology in the classroom, preparing our students to become responsible digital citizens ready to face the challenges of the 21st century.

We want to emphasise the crucial role you, as parents and guardians, play in your child's education. Your partnership is invaluable and we encourage open communication. That said, we, the staff, implore you to get your children to school before 8am each day.

**Why? The reason is simple: teaching and learning take place in the classroom from this time and regular attendance is essential for your child's progress.**

Throughout the year, we will host parent-teacher conferences and other events to discuss your child's progress, address any concerns and celebrate their achievements. As we embark on another year together at KoroBoro International School, let's embrace the opportunities that lie ahead and support one another in creating lasting memories for the students of KoroBoro. By working hand in hand, we can provide our students with the best possible education and prepare them for a bright future.

#### Before I close - **\*\*Important Information\*\***

**First Day:** Classes begin on WEDNESDAY 19 - over a week ago! - If you're not back at KoroBoro, please get back now - school has started.

### A New Year, New Adventure: Welcome to the Classroom

Created by Elisha Norrie

As the new year begins, children step into the classroom full of wonder and curiosity. Every corner is an exciting discovery, bright colours, new toys and friendly faces. To them, everything is a “wow,” sparkling joy and excitement.

This is also a time for learning about routines and expectations that keep everyone safe and happy. Clear expectations and familiar routines help children feel secure and confident as they explore and grow. Together, we start a new adventure, filled with curiosity, learning and fun.

Snapshots of their exciting journey of exploration and discovery when they arrived at ELV Pre School play based Learning.
