Meet the #FelstedFamily

These faces will become very familiar to you while your child is with us in Felsted Pre-Reception! As experts in Early Years education, our staff know how important it is to take the time to really get to know every one of our children, and their families too.

In partnership with you, they will make sure that Pre-Reception is a happy experience, full of excitement, wonder, delight - and plenty of smiles!

A teacher-led Pre-Reception, offering a seamless pathway into Felsted Reception

There's so much going on to tempt the natural curiosity of our three-year-olds that they don't realise they're laying important foundations for their future education. In our calm and bright Pre-Reception classroom, learning means excitement, wonder and delight.

Our expert Early Years teachers make it so enticing that our youngest pupils can't wait to do more of it! Because Felsted's Pre-Reception is not just the starting point, it's a crucial stage in your child's education.

Comfortable and well cared for, your child will gradually grow in independence and confidence - and get ready to explore the world.

> **An early growth mindset has youngsters believe anything is possible... a school that brings out the best in everyone.**

The Good Schools Guide

Grow with Felsted

A carefully designed curriculum

Our free-flow Pre-Reception curriculum means we're able to engage children in a wealth of activities and experiences. Shared storytelling, outdoor exploration and creative arts challenge our children to try new things and develop as individuals. 'Big question' themes, such as hosting a royal banquet, open their eyes to the world and get neural pathways firing. At the same time, our Early Years specialist teachers gently introduce the skills of early reading and writing.

Specialist teachers and facilities

Our children love to be active, and every day includes sessions with subject specialist teachers to develop co-ordination and confidence - including PE and Forest School - whilst music and rhythmic activities help with listening, timing and body awareness. As part of Felsted School, our children have the advantage of world-class facilities, right on the doorstep.

Consistent support

Emotional security is key to learning. Pre-Reception children are positively encouraged to explore their emotions and learn how to regulate them in a safe environment where they feel cared for and understood. Of course, wellbeing is at the heart of Felsted and the culture prioritises respect and kindness. Children in Felsted's Pre-Reception quickly feel a sense of belonging to the school community, as well as the wider world.

Designed for busy families

Easy to get to

Felsted's Pre-Reception is housed in a modern and beautifully designed building on the Felsted Prep campus, just off Braintree Road.

School day and wraparound care

The Pre-Reception day runs 8am to 3pm (morning sessions 8.30am to 1pm), Monday to Friday during Felsted term-time. Children attend at least five mornings a week, or three full days with five full days attendance from January. We offer an extended day for families who need it - Breakfast Club for Pre-Reception children starts at 7.30am and After School Care runs until 4.15pm (half session) or 5.45pm (full session).

Lunch and snacks

A healthy lunch followed by a pudding, yogurt or fruit is included for children in Pre-Reception for a full day or just the morning session and snacks are served mid-morning and mid-afternoon too.

Uniform

Uniforms make mornings easier for parents! Wearing our Felsted-branded jogging bottoms, t-shirt and sweatshirt also means your child is comfy and ready to take on all the activities of the day at Felsted Pre-Reception.

Your child's Felsted adventure begins

Where four centuries of tradition meet the very latest techniques in teaching and learning, Felsted is more than a school and we look forward to welcoming you.
