

LITTLE GUYS WRESTLING CAMP
Grades 1st – 5th
Tuesday March 17 – Thursday March 19
8:00 AM - 11:00 AM

- Use the following QR code to register

Come and tryout the great sport of wrestling and have some fun doing it. Wrestling is a great sport because anybody can do it. Wrestling develops agility, balance, reflexes and strength in every major muscle group and can dramatically improve one's ability to perform in other sports.

More important than that, is the fact that this camp is going to be a blast and we will burn a lot of your child's energy. We will lead a fun, interactive, and high energy wrestling experience.

All are welcome to attend. Size and a child's level of experience simply do not matter for this camp.

This is a great opportunity to discover a new sport and see if it is the right fit for you, while at the same time having some fun over spring break. Who knows, you may be one of the future stars of Marcus Marauder Wrestling.

- Each session is \$105 per wrestler
- Every participant will receive a T-Shirt
- Each wrestler must bring their own water bottle.

Wrestling is a great sport because anybody can do it. Wrestling develops agility, balance, reflexes and strength in every major muscle group and can dramatically improve one's ability to perform in other sports. Don't forget it is also the only combat sport that is offered at Marcus High School. No Judo and no ju-jitsu, but yes you can wrestle for Marcus High School and it is an absolute blast.

This camp will focus on mastering the art of taking down one's opponent. We will provide in-depth instruction on a few of our setups, attacks, finishes, and counters that we use to dominate the neutral position.

All are welcome to attend. No experience is required. However, campers that have some experience will practice separately from the campers with no experience. All skill levels will benefit.

This will be a great opportunity to discover a new sport and see if it is the right fit for you.
