would especially like to thank my staff for all the time and efforts. They have worked well together; don't think I could have had a more cooperative staff. I would like to thank Mr. Nimon and Mrs. Boving for all the assistance they have given us. We certainly could not have done this work without them.

I appreciate the honor and privilege that I have had to be selected for this job, and I will always remember the EVENTS of 1964.
