March

Principals' Blurb

It is incredible to think that by the end of this month, we will have completed three-quarters of the school year. Like many of you, I am eagerly anticipating the arrival of spring!

Our spring parent-teacher conferences are coming up this first week of March, providing a wonderful opportunity to discuss your child's academic growth. We truly value the partnership between home and school, as consistent communication is vital to student success. Your ongoing involvement makes a world of difference, and for that, we thank you. We appreciate your continued support in reinforcing our **Eagle Pride** values at home: being Respectful, Responsible, Productive, and Safe.
