Summer Learning 2026

Moving to Mann/Muir and Afternoon SL/G2M Program

Class Options (Select one or both):

Morning Program 7:35 AM – 12:25 PM

Does your 5th grader like to have fun in the great outdoors? Could your child benefit from extra instruction in reading and math? Does your child enjoy projects and thematic units, instead of traditional classroom instruction? While at the School Forest, students participate in many fun outdoor activities, which provide experiences to write, read and improve math skills.

Examples include: fishing, kayaking, and science in nature.

All Students will spend time at either Horace Mann/John Muir learning to use lockers and participate in team building activities.
