Summer School Policies

- Please check all printed registration information with a parent and a school counselor to accurately record course selections and course numbers. The Summer School Program accepts no responsibility for incorrect course selection or incomplete registration information. Ensure that the semester being registered for corresponds with the semester in which a grade of "D" or "F" was originally earned.
- Summer School Options 2 and 3 are primarily for some students who are credit deficient and have teacher recommendation to complete using these options. Students completing credits this way may see the class listed as Computer Based Instruction on their transcript and these courses may not be accepted by certain colleges as prerequisites. Students completing Option 3 cannot earn above a D-.
- Signed registration forms are to be returned to school counselors promptly to ensure availability of courses. Unless otherwise noted, the student has been accepted in the class(es) for which registration has been made. No confirmation notice will be sent.
- Please be reminded that Summer School is a privilege, not a right. Respect for self, others, and the facility, along with prompt daily attendance, good attitude, and classroom effort and progression can allow credit to be earned.
- All Appleton Area School District policies in place during the regular school year are in effect during Summer School. Failure to follow the rules and policies of the Appleton Area School District will result in dismissal from the summer school program.
- The Appleton Summer School Program attendance expectations align with the expectations and policy used by the AASD during the school year. All appointments should be scheduled for non-school hours. Summer school classes contain condensed coursework. For credit bearing courses offered during the summer, any absence will result in a student /guardian meeting with the attendance officer to address attendance barriers.
