Drama II (Prereq. Drama I)			

PLEASE NOTE: The order in which the requests are entered DOES NOT determine the period or trimester the course will be offered in the actual schedule. All elective choices are subject to enrollment numbers and the ability to fit in a student's schedule. There is a high likelihood that a class in the "other possible elective" box may be substituted for an original selection. Choose these classes wisely. Electives denoted with asterisk (**) are classes that may be taken towards fulfillment of the IMS Fine Arts requirement. Students must take one Fine Arts class each year at IMS.

8th Grade Registration Worksheet for 2026-2027

Directions for Registration

1. All 7th and 8th grade students must take at least one Fine Arts class each year at IMS. The Fine Arts classes are denoted with asterix (**) on the registration worksheets and shown in the Fine Arts 7/8 tab under Academics & Programs and 2026-27 Digital Course Catalog, on the IMS website (see link below). Failure to select a Fine Arts class will result in the student being enrolled in a Fine Arts class automatically.
2. Student and parent/guardian must sign in the appropriate space below. If a student is choosing not to take a Physical Education course, a PE Waiver must be completed and turned in with the registration worksheet (pending approval).
3. Students must log on to Qmlativ and complete the online registration process (video directions on webpage below). **Students must complete this process and return their completed worksheet(s) to their 1st period class (or Front Desk if you do not have a 1st period at IMS) by March 6, 2026.**
4. Parents should notify IMS Counselors Dru Klein (students with the last name A-G) at 206-230-6153, Janet Goldstein (students with the last name H-O) at 206-275-5958 or Jayna Dash (students with the last name P-Z) at 206-230-6098 or IMS Registrar Marcy Berejka at 206-230-6160, if they have any questions.

The IMS course catalog that provides descriptions for each elective course is available on the IMS website, under Academics & Programs and 2026-27 Digital Course Catalog. PE Waiver is also available on this webpage.

<https://ims.mercerislandschools.org/academicsprograms/digital-course-catalog>

Schedules will be subject to change based on programs necessary to meet the needs of the individual student, including Special Education, Highly Capable and English Language Development classes. Parents will be contacted if there is a necessary change.

Failure to choose the required number of electives and alternates, or not complete the registration process by the required deadline, will cause the computer to select random elective courses. All course offerings are subject to final staffing and student enrollment.

Required Signatures for Registration

We have discussed registration as a family and we support our child in the course selections they have made on this form.

Student Signature: _____ Phone #: _____

Parent/Guardian Signature: _____ Date: _____
