

# ST. PAUL SUMMER 2026

## Academic Camps

### WEEK THREE

#### Brain Games

June 8-11

**Camp Leaders: Gina Duvall &  
Anastasia Schiller**

**5th Grade 8:30-11 a.m.**

We look forward to welcoming rising 5th grade students to this fun filled camp with the Upper School Center for Student Success teachers. Students will focus on strengthening executive functioning skills and mental flexibility through interactive games. We will target activities that improve working memory, planning, strategy, and attention while having fun at the same time. Hands-on resources will be sent home for families.

### WEEK FIVE

#### Rising 6th Grade Language Arts Camp Session 1

June 22-25

**Camp Leader:  
Anne Smith**

**6th Grade 12-3 p.m.**

Rising 6th grade students will review and reinforce their grammar skills in preparation for their final 6th grade year at St. Paul. Emphasis will be placed on subjects, predicates, and sentence structure. Students will focus on the parts of speech by analyzing and diagramming sentences. Finally, they will practice writing with attention to the rules of capitalization, punctuation, and use of quotations.

#### Rising 6th Grade Math Camp Session 1

June 22-25

**Camp Leader:  
Amy Stone**

**6th Grade 8:30-11:30 a.m.**

Rising 6th graders will spend the week preparing for 6th grade math. Students will review foundational skills, and work to build confidence in core math concepts. They will work to complete the 6th grade summer math packet.

#### Rising 5th Grade Language Arts Camp Session 1

June 22-25

**Camp Leader:  
Katie Holliday**

**5th Grade 12-3 p.m.**

Rising 5th grade students will have fun with grammar by playing games and diagramming sentences. Students will gain skills and knowledge to prepare them for 5th grade expectations and will enjoy getting to know 5th grade teachers and fellow students better. Students will complete two summer reading assignments under the guidance of the 5th grade language arts teacher.

# WEEK FIVE (CONT.)

## Rising 5th Grade Math Camp Session 1

June 22-25

**Camp Leader:**  
Drew Snyder

**5th Grade 8:30-11:30 a.m.**

Rising 5th graders will spend the week preparing for 5th grade math. Students will review foundational skills, and work to build confidence in core math concepts. They will work to complete the 5th grade summer math packet.

## Rising 4th Grade Language Arts Camp Session 1

June 22-25

**Camp Leader:**  
Monica Gurley

**4th Grade 12-3 p.m.**

Join Mrs. Gurley, the fourth grade Language Arts teacher, for a week of hands-on learning and fun. The week will focus on study skills and organization, grammar basics, reading comprehension strategies, and one summer reading assignment.

## Rising 4th Grade Math Camp Session 1

June 22-25

**Camp Leader:**  
Maria Vaughn

**4th Grade 8:30-11:30 a.m.**

Rising 4th graders will review key concepts including fractions, multiplication, addition, and subtraction. We will play games and use a variety of hands-on materials. Students will also be able to complete the required summer math packet.

## Kindergarten Readiness Camp Session 1

June 22-25

**Camp Leaders:**  
The Kindergarten Team  
**Kindergarten 8:30-11:30 a.m.**

We are excited to have the future St. Paul kindergartners join us at Readiness Camp! Your children will get to experience four fun-filled days that will give them a glimpse into the exciting things that await them in Kindergarten at St. Paul Christian Academy.

## Math Games w/ Mr. Mitchell Session 1

June 22-25

**Camp Leader:**  
Will Mitchell  
**2nd-3rd Grade 8:30-11:30 a.m.**

One of the best ways to practice math skills is through games; the best thing about games is having fun! Come spend time together playing some of Mr. Mitchell's favorite math games like Ono 99, Shut the Box, Clumsy Thief, and Check the Fridge. All levels of math students will enjoy this camp and leave with a list of new math games they'll want to play all year! By the end of the week, they'll not only have improved their math skills, but they'll also be excited about math and eager to take on new challenges. Join us this week for a math-packed adventure, and watch your child's love for numbers grow!

# WEEK EIGHT

## Rising 6th Grade Language Arts Camp Session 2

July 13-16

**Camp Leader:**  
Anne Smith

**6th Grade 8:30-11:30 a.m.**

Rising 6th grade students will review and reinforce their grammar skills in preparation for their final 6th grade year at St. Paul. Emphasis will be placed on subjects, predicates, and sentence structure. Students will focus on the parts of speech by analyzing and diagramming sentences. Finally, they will practice writing with attention to the rules of capitalization, punctuation, and use of quotations.

## Rising 6th Grade Math Camp Session 2

July 13-16

**Camp Leader:**  
Amy Stone

**6th Grade 12-3 p.m.**

Rising 6th graders will spend the week preparing for 6th grade math. Students will review foundational skills, and work to build confidence in core math concepts. They will work to complete the 6th grade summer math packet.

## Rising 5th Grade Language Arts Camp Session 2

July 13-16

**Camp Leader:**  
Katie Holliday

**5th Grade 8:30-11:30 a.m.**

Rising 5th grade students will have fun with grammar by playing games and diagramming sentences. Students will gain skills and knowledge to prepare them for 5th grade expectations and will enjoy getting to know 5th grade teachers and fellow students better. Students will complete two summer reading assignments under the guidance of the 5th grade language arts teacher.

## Rising 5th Grade Math Camp Session 2

July 13-16

**Camp Leader:**  
Drew Snyder

**5th Grade 12-3 p.m.**

Rising 5th graders will spend the week preparing for 5th grade math. Students will review foundational skills, and work to build confidence in core math concepts. They will work to complete the 5th grade summer math packet.

## Rising 4th Grade Language Arts Camp Session 2

July 13-16

**Camp Leader:**  
Monica Gurley

**4th Grade 8:30-11:30 a.m.**

Join Mrs. Gurley, the fourth grade Language Arts teacher, for a week of hands-on learning and fun. The week will focus on study skills and organization, grammar basics, reading comprehension strategies, and one summer reading assignment.

## Rising 4th Grade Math Camp Session 2

July 13-16

**Camp Leader:**  
Maria Vaughn

**4th Grade 12-3 p.m.**

Rising 4th graders will review key concepts including fractions, multiplication, addition, and subtraction. We will play games and use a variety of hands-on materials. Students will also be able to complete the required summer math packet.

## Kindergarten Readiness Camp Session 2

July 13-16

**Camp Leaders:**  
The Kindergarten Team

**Kindergarten 8:30-11:30 a.m.**

We are excited to have the future St. Paul kindergartners join us at Readiness Camp! Your children will get to experience four fun-filled days that will give them a glimpse into the exciting things that await them in Kindergarten at St. Paul Christian Academy.

## Math Games w/ Mr. Mitchell Session 2

July 13-16

**Camp Leader:**  
Will Mitchell

**2nd-3rd Grade 8:30-11:30 a.m.**

One of the best ways to practice math skills is through games; the best thing about games is having fun! Come spend time together playing some of Mr. Mitchell's favorite math games like Ono 99, Shut the Box, Clumsy Thief, and Check the Fridge. All levels of math students will enjoy this camp and leave with a list of new math games they'll want to play all year! By the end of the week, they'll not only have improved their math skills, but they'll also be excited about math and eager to take on new challenges. Join us this week for a math-packed adventure, and watch your child's love for numbers grow!

## WEEK NINE

### ISEE Prep & Test Taking Strategies Camp Session 1

July 20-24

**Camp Leader:**  
Cheryl Phillips

**6th Grade 8:30-11:30 a.m.**

This course will give your child the opportunity to learn test-taking strategies and practice them on ISEE practice tests. The course will focus on assessment content areas and offer an opportunity for the students to reassess their strengths and weaknesses at the end of the course with a plan on what and how to prepare for the ISEE. This course will be a great way for the students to go into their 6th-grade year identifying the areas to work on before taking assessments for next level schools. This will be a precursor for the ISEE course offered through St. Paul during the fall of the student's 6th grade year. Although the students can be registered for one or both weeks, it is highly encouraged that they attend the whole course to get the maximum out of the class.

### Structured Literacy Session 1 -

**Invitation Only**

July 20-23

**Camp Leader:**  
Sarah Brasher

**1st-2nd Grade 9 a.m.-12 p.m.**

**Rising First Grade Camp:** This two-week camp will emphasize and undergird literacy teaching from kindergarten at St. Paul. Skills practiced will include all components of handwriting, spelling and reading. \*\*\*camps are by invitation only

**Rising Second Grade Camp:** This two-week camp will emphasize and undergird literacy teaching from first grade at St. Paul. Skills practiced will include all components of handwriting, spelling and reading. \*\*\*camps are by invitation only

### Math Games w/ Mr. Mitchell Session 3

July 20-23

**Camp Leader:**  
Will Mitchell

**4th-6th Grade 8:30-11:30 a.m.**

One of the best ways to practice math skills is through games; the best thing about games is having fun! Come spend time together playing some of Mr. Mitchell's favorite math games like Ono 99, Shut the Box, Clumsy Thief, and Check the Fridge. All levels of math students will enjoy this camp and leave with a list of new math games they'll want to play all year! By the end of the week, they'll not only have improved their math skills, but they'll also be excited about math and eager to take on new challenges. Join us this week for a math-packed adventure, and watch your child's love for numbers grow!

## WEEK TEN

### ISEE Prep & Test Taking Strategies Camp Session 2

July 27-31

**Camp Leader:**  
Cheryl Phillips

**6th Grade 8:30-11:30 a.m.**

This course will give your child the opportunity to learn test-taking strategies and practice them on ISEE practice tests. The course will focus on assessment content areas and offer an opportunity for the students to reassess their strengths and weaknesses at the end of the course with a plan on what and how to prepare for the ISEE. This course will be a great way for the students to go into their 6th-grade year identifying the areas to work on before taking assessments for next level schools. This will be a precursor for the ISEE course offered through St. Paul during the fall of the student's 6th grade year. Although the students can be registered for one or both weeks, it is highly encouraged that they attend the whole course to get the maximum out of the class.

### Structured Literacy Session 2 -
