SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- Visit the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.

- Visit the CDE LCFF webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.

- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at

<https://www.caschooldashboard.org>.

DISTRICT VISION

The Newark Unified School District in partnership with the community will be a model of world-class education that develops the unique abilities of every student.

DISTRICT MISSION

The Newark Unified School District will inspire and educate all students to achieve their full potential and be responsible, respectful and productive citizens.

SCHOOL & COMMUNITY PROFILE

The mission of A.L. Schilling Elementary School is "All students will learn at high levels to be ready for college and career". Schilling is a SPED Preschool through fifth grade Title I school located in "Old Town" Newark, the historic nucleus of our community. The school serves a diverse student population of approximately 300 students. Sixteen Transitional Kindergarten through Fifth grade classrooms and three Special Education Preschool classrooms are present on our campus. Kindergarten through Third grade are taught in groups of no more than twenty- six students per classroom. Students in grades Four through Five are taught in groups of no more than thirty-one students per classroom. All of the teachers are NCLB compliant. The school provides instruction in all the academic areas aligned to the Common Core State Standards. Schilling also provides specialized services to English Learners and to Students with Disabilities. State and federal accountability reports demonstrate continued academic progress in many areas. Schilling school was recognized as the 2008 School of the Year by the Newark Education Foundation. In 2021 and 2022 we were honored with Platinum status and Gold Status in 2019, 2020, 2023, 2024 and 2025 for PBIS implementation for California.

The City of Newark is located in Alameda County, and is home to over 47,000 people. This 150 year-old community is situated on the southeastern edge of the San Francisco Bay directly off of Interstate I-880 and Highway 84. With its close proximity to San Jose and San Francisco, Newark residents have easy access to the benefits of "big city" life, while offering the comfort and safety of a small town atmosphere. Newark Unified School District is comprised of six elementary schools, two alternative high schools, one middle school, and one comprehensive high school. All of the schools maintain a shared commitment to providing students with a "world class education" based on a strong liberal arts foundation and centered on the district's core values, producing academically skilled and community-minded students with a wide array of post-high school educational and career options.

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE’s Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

SCHOOL FACILITIES

Schilling was constructed in five phases between 1960 and 2003. In 2024, the voters approved a bond measure to enhance the facilities. Schilling modulars house five classrooms and two student restrooms. During modernization in 2006-2007, the POD building was remodeled to house nine classrooms, resource areas and a new office. School facilities are safe and district maintenance personnel ensure that minor maintenance, repairs or upgrades are performed to keep the facility in good repair.

With the passing of the bond and Prop 39, the District has begun assessing all sites to address concerns. District maintenance staff ensures that minor maintenance, repairs or upgrades necessary to keep the school in good repair and working order are completed in a timely manner. Monthly inspections are performed which includes general, electrical, mechanical and playground safety. A work order system is used to ensure efficient service and emergency repairs are given the highest priority.

The school has two full time custodians, including a senior day custodian as well as a night custodian. Custodial staff work year round to maintain a clean and safe school.

FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

INSTRUCTIONAL MATERIALS

A public hearing was held on September 16, 2025 and determined that the school had sufficient and good quality textbooks, instructional materials and science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English Language Arts/Literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.ets.org/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English Language Arts/Literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value “N/T” indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student’s ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

The Newark Unified School District is fortunate to have a tremendous amount of parent and community support, and there are many groups that provide support to the schools, students and programs in the school. The Parents and Schilling Staff (P.A.S.S.) is engaged in supporting fundraising efforts as well as several school wide events and activities. Parents and community members are encouraged to volunteer.

Community members and parents have the opportunity to be directly involved with the governance of the school through serving on one of the many leadership teams that guide the district, including:

P.A.S.S. Executive Board

School Site Council is comprised of five parents and five staff members. This group meets on a monthly basis throughout the year.

The main responsibilities of the SSC are to advise the principal on the development of the school's School Plan for Student Achievement, to monitor the plan once it is in place, and to evaluate the results.

School/District English Learner Advisory Committee ELAC/DLAC meets four times during the school year. Meetings include opportunities to learn more about English Language Development activities going on at the school.

Volunteers are welcome on campus. Volunteer opportunities include classroom volunteers, guest readers, volunteer recess and activity support, field trip chaperones, volunteer recess and activity support.

Contact the school office for more information on opportunities for parent involvement: 510-818-3800 or email: schillingoffice@newarkunified.org.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY

The safety of students and staff is a primary concern of all Newark Unified schools and staff. All visitors to the campus must sign in at the school office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among volunteers, teachers, and administrators.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and lock-down, are held on a rotating basis throughout the year.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan is annually updated in the fall; the last review was performed in September, 2025. An updated copy of the plan is available to the public at the school and District offices. Any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules and procedures
- Health and safety protocols
- Medical emergencies
- Opioid use prevention
- Disaster procedures/routine and emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Positive school climate
- Bullying prevention policies and procedures
- Dangerous, violent or unlawful activities
- Policies related to suspension/expulsion
- Sexual harassment policy
- Policies related to immigration enforcement on campus
- Safe ingress and egress of pupils, parents/guardians, and school employees

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

TYPES OF SERVICES FUNDED

Schilling Elementary School is committed to providing a balanced, enriching, and supportive educational experience for all students to ensure their personal growth and academic success. Schilling allocated funds to work towards school goals and initiatives. The School Site Council monitors the School Plan for Student Achievement (SPSA), its action items, and their effectiveness. For the 2024-2025 school year, funds from our SPSA were used for services in a variety of categories. We provide the following programs and support services to meet the needs of students.

Programs and Support Services :

Extended Learning opportunities and intervention through iReady, IStation, and small group interventions.

Title I Reading and Math Intervention, pull out

Behavior and Mental Health Support Services for both group, individualized, and parent training.

PBIS

STEAM implementation throughout campus.

Maker Space room.

NGSS Training and implementation

Increase of Parental Involvement through more opportunities and our parent organization.

SCHOOL AND DISTRICT EXPENDITURES

The table provides a comparison of a school’s per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/es/>.
