For questions, contact PISD Benefits at benefits@pisd.edu or 469-752-8138

The Affordable Care Act requires Plano ISD to issue a 1095-C form to all full-time employees and substitutes, to indicate that health insurance was offered to you during the prior calendar year. The form will also indicate whether or not you were enrolled in our health insurance plan.

Frequently Asked Questions

What do I do with this form?

Keep the form with your tax records. You do not need to send the form to the IRS.

Why did I receive a 1095-C form if I didn't have health insurance?

The form indicates that health insurance was offered to you, regardless of whether you were actually enrolled.

Why is there a dollar amount listed for some months?

The amount shown is just the cost for employee coverage on the lowest-cost plan that was offered. It is not based on any actual premium you may or may not have paid.

If you were enrolled, you may see a different premium than what you paid, or no premium at all. On the other hand, if you were not enrolled, you may see a dollar amount even though you didn't actually pay any premiums.
