NEWS

IMPORTANT!

We have seen an increase in requests from students and parents asking administration to review security camera footage to locate lost items.

Please understand that our cameras are in place to support the safety and security of our campus and are not used to track misplaced belongings.

With approximately 1,000 students, reviewing footage is reserved for safety-related concerns. We strongly encourage families to be mindful of items brought to school, particularly expensive or irreplaceable belongings, as teenagers may misplace them during the school day.

Thank you for your partnership in reinforcing responsibility and helping us keep our focus on maintaining a safe learning environment.
