THE FOXHOLE FLYER

PRINCIPAL MESSAGE

Hello VOL family!

We have an exciting and creative week ahead at Volusia Online Learning! This week, we're thrilled to offer a Fiber Arts Lab, led by Mrs. Edwards. Fiber arts is a form of visual art that uses materials such as yarn, fabric, and thread to create sewn or woven pieces, blending creativity, design, and problem-solving through hands-on learning.

Our middle and high school Fiber Arts Lab will take place on **Thursday, February 26, from 5:00–7:00 PM**, followed by an elementary session on **Friday, February 27, from 10:30–12:30 PM**. These labs give students a chance to explore a new artistic medium while engaging in meaningful, creative work.

As we enjoy these enrichment opportunities, I also want to remind families that we are now three weeks from the end of the marking period. This is an important time to check in on your child's progress. Teachers have shared pacing guides and identified the assignments students should complete by the end of the marking period. Staying on pace and regularly monitoring progress helps students finish strong and avoid last-minute stress. Thank you for your continued partnership and support—we're looking forward to a great week ahead!

Dr. Serianni

aaserian@volusia.k12.fl.us

IMPORTANT REMINDERS

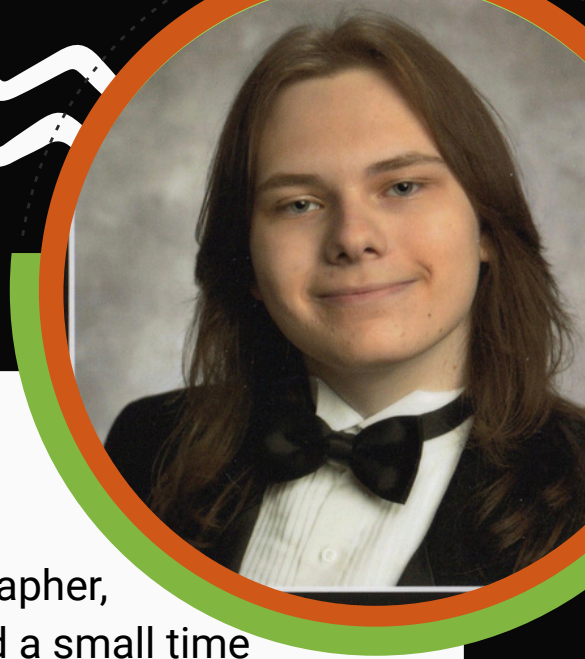

- Our target completion date for the third quarter is March 6th. This allows students the opportunity to complete their assignments, receive teacher feedback, and resubmit for a higher grade prior to grade reporting. This also allows teachers to meet with students for Help Me Sessions, grade all work, and schedule needed DBAs prior to posting report card grades. Students who are on pace can earn an extra week of Spring Break. A win-win for all!
- VOL students are expected to participate in state testing. Dr. Markell, our VOL Testing Coordinator, is currently finalizing spring testing dates and times with zoned schools. Keep an eye out for an email from her in the coming weeks—she'll share the specific assessments your student will need to complete before the end of the school year.

UPCOMING EVENTS

- Join us for our SAC Meeting on February 25 from 4:00–5:00 PM and be part of the conversation that supports our school.
- 🎨 Fiber Art Lab at VOL! 🧶 Join us for a hands-on creative experience the whole family will love!
- Middle School Students:
 - 📅 February 26
 - 🕒 5:00 PM – 7:00 PM
- Elementary Students:
 - 📅 February 27
 - 🕒 10:30 AM – 12:30 PM
- Get ready to weave, stitch, and create.

THE FOXHOLE FLYER

STUDENT SPOTLIGHT!

Connor Helmers - Senior

"Hello, I am Connor and I am a filmmaker, photographer, costume creator, music creator, video editor, and a small time programmer. I have spent a lot of my free time trying to get proficient in many different creative fields. After high school, I plan to start my own production/creation company. I am already looking into registering my fictitious name and licensing. I have been starting to network with other creative types, to build a list of contacts for my company. I hope to get my BA in digital cinematography at Full Sail University."

STUDENT SPOTLIGHT!

Tyler Fellows - 11th Grade

Tyler was nominated by Mrs. Moore. "Tyler is an Honors student in my US History course and is an outstanding student, academically. He performs above grade level and is always eager to learn. He completes assignments in a timely and consistent manner, taking great care to assure his assignments are thoughtful and completed to the best of his ability. He responses on assignments and during his Discussion Based Assessments are detailed and demonstrate a high level of critical and historical thinking, while making modern day connections. Truly impressive!"
