The Association shall have the right to reasonable use of District mail service, and unit member mailboxes for communication to unit members. The Association may make reasonable use of school equipment with the approval of the site administrator.
- B. The District shall notify the Association president and the impacted unit member(s) of any third-party request for unit member's specific personal information within five (5) workdays of receipt of the request. For routine requests for employee information, the District is under legal obligation to disclose, i.e. salary and/or job classification the District shall notify the Association President.
1. The District will not release the requested information before ten (10) workdays following the Association/employee notification so that the Association and/or impacted unit member(s) have a reasonable opportunity to object to the disclosure of the requested information and/or raise potential concerns before the employer responds to the requester and publicizes the information.
 2. The District shall not disclose to a third-party personal unit member information such as home addresses, personal email addresses, home phone or cell phone numbers, birthdates, family member names, or union-affiliation status. - H. The Association shall submit a tentative calendar of meeting dates. After Governing Board concurrence, these dates shall be included on the District Master Calendar. Time will be set aside on the second Wednesday of each month (at the conclusion of the instructional day) for Association business. The District will not schedule meetings that interfere with this time without the consent of the Association. Under normal circumstances, no meeting shall be called by any District Administrator that will prevent members of the Association from attending scheduled meetings.
- I. The Association shall cooperate with the Governing Board in the fair implementation of this contract. The Association representative in each administrative unit shall assist the unit members in the implementation of this contract.

Title	Provisions For Preschool Teachers
Code	Article 05
Status	Active
Adopted	February 11, 2020
Last Revised	December 16, 2019

A. The following Articles shall not apply to Preschool Teachers: *Article IX - Transfer and Reassignment*; and Addendum 7 of Teacher to Year-Round Tracks.

B. The following provisions apply only to Preschool Teachers:

1. Preschool teachers meeting the qualifications as prescribed by law, policy, or regulation shall have the opportunity to make an application for any open teaching position.
2. Preschool teachers are eligible for full benefits coverage.

C. A continued education program is being established which allows preschool teachers to receive \$500 after completing fifteen (15) semester units and \$1,000 after completing thirty (30) semester units of subject matter according to guidelines in the current preschool teacher contract. The units from an accredited college must be taken subsequent to an Associate of Arts degree. Transcripts of completed work must be submitted to Personnel by September 1 of the year eligible for the stipend. Transcripts submitted after September 1 will be used for the following year.

D. Transfer

A transfer is defined as an employee-initiated change of work location that has been approved by the District. A preschool teacher may request a transfer to take effect during the school year or at the beginning of the next school year. In either event, the request shall be made on a "Request for Transfer" form and sent to the immediate supervisor.

1. When the request is made for the transfer to take effect during the school year, such request shall be made within the limitations stated on the notice of vacancy.
2. When the request is made for the transfer to take effect at the beginning of the next school year, such request shall be made no later than April 15 of the school year preceding the effective date.
3. All requests for transfers shall be considered on the basis of the following, not listed in priority order:
 - a. The permit/credential to perform the required services.

- b. The needs for efficient operation of the District.
- c. The preference of the preschool teacher.
- d. The length and quality of service to the preschool program.

E. Reassignment

Reassignment is defined as a District-initiated change of an employee from one working location to another. Reassignment is not intended as a punitive or disciplinary action. The final responsibility for reassignment is that of the Preschool program supervisor.

1. Reassignments may be made for the following reasons:
 - a. To balance the preschool staff of the District or work location.
 - b. A change of enrollment necessitating reassignment of staff.
 - c. Particular site needs.
 - d. Educational requirements of the District.
2. The procedure for reassignment for situations under the reasons stated in E.1.a. is as follows:
 - a. When the number of preschool teachers assigned to a work location is excessive, a reassignment shall be initiated.
 - b. Affected preschool staff will be given an opportunity to consult on the need for the reassignment and an opportunity to volunteer for the reassignment.
 - c. If no volunteer is available, the reassignment will be based upon District seniority. Exceptions to this procedure may be made if the school would be unable to meet the needs of its students.
 - d. Preschool teachers who are reassigned will not be reassigned again for at least two years unless circumstances require otherwise. In such event, the President of Cajon Valley Education Association (CVEA) will meet with the Director of the Preschool Program to discuss the reassignment.

F. Notification of Vacancies and/or New Positions

1. Notices of all vacancies, new positions, or interim assignments shall be posted for at least ten (10) days in advance of the application deadline. If notice cannot be posted ten (10) days in advance, then preschool staff will be alerted to the vacancy by special notice. Such notices shall be posted as soon as the district determines that a vacancy exists and shall include the location.

The above paragraph as it applies to transfers within a given school year shall not apply during the following periods:

- a. From ten (10) days prior to the beginning of the school year through October 15.
- b. From the first school day after mid-year through the end of the school year. Vacancies occurring on or after the first school day after mid-year will be filled by a long-term substitute and not filled permanently until the following school year. By March 15, such known vacancy notices for the following school year will be posted.
- c. If it becomes necessary due to exceptional circumstances to fill a position on a permanent basis, the notification process contained in paragraph F.1. above will be implemented. If this

occurs, the Association will be notified.

2. Preschool teachers being reassigned will be assigned before voluntary transfers and preschool teachers returning from leave.
3. Preschool teachers requesting transfers would be considered next based upon the priorities listed in Section D.
4. Preschool teachers returning from personal leave without pay will be considered last.

G. Credential Renewal Requirements:

1. The purpose of this Article is to notify bargaining unit members of state requirements concerning renewal of their credential through the development of an individual program of professional growth. If during the term of this agreement the Legislature should modify this agreement and the modification(s) affect these provisions, this section shall be opened for negotiations.
2. These requirements are limited to those members of the bargaining unit who hold child development permits issued after February 1, 1997.
3. Bargaining unit members subject to this requirement shall develop an individual program of professional growth consistent with and applicable rules of the Commission on Teacher Credentialing which consists of a minimum of 105 clock hours of participation in activities that contribute to competence, performance, or effectiveness in the profession of education. A program is to be completed within five (5) year period intervals. The individual program of professional growth shall be approved by a Professional Growth Advisor (PGA) or shall be submitted directly to the State Commission on Teacher Credentialing for approval.
4. Acceptable activities shall include any acceptable activity defined by the Commission on Teacher Credentialing, Title 5 Rules and Regulations.
5. The Superintendent or designee shall appoint PGAs. The District shall ensure that interested individuals who are eligible to serve as PGAs from all groups have the opportunity to do so and are proportionately represented on the list of approved advisors. The basis for considering the approval of interested individuals shall be professional qualifications rather than group affiliation. A current satisfactory evaluation shall be the primary determinant of eligibility for District staff members who are interested in serving as a PGA.

Should it be the intent of the Superintendent or designee to disapprove an applicant who is a District staff member, the President of CVEA shall be informed and afforded the opportunity to discuss the issue prior to notification of the staff member. Any PGA applicant who is disapproved may request and shall receive a written explanation for the denial.

During the course of the year, after a list of PGAs has been approved and distributed, a credential holder may suggest to the District that a qualified PGA not already on the list be added.

a. Responsibilities of Professional Growth Advisors:

- i. Review of professional growth plans and certification to the unit member that the planned program or amendment meets all legal requirements. Should the proposed plan or amendment not be in legal compliance, the reasons shall be submitted in writing by the Professional Growth Advisor to the unit member.
- ii. Upon conclusion of approved activities, the Professional Growth Advisor shall either verify or refuse to verify that such activities have been completed, including the number of clock hours specified. If the Professional Growth Advisor refuses to verify the completed activities, a written notice of the reasons for failure to do so shall be

given to the unit member.

6. Prior to beginning an activity that could accumulate clock hours, the unit member shall develop and submit the proposed plan or amendment on an appropriate form to his/her Professional Growth Advisor and obtain certification from the Professional Growth Advisor.
 - a. Responsibilities of the Unit Member:
 - i. The credential holder has a responsibility to record accurately the number of clock hours that have been spent on completed activities. After completing activities, it is the responsibility of the credential holder to give the Advisor reasonable verification of time spent, if the Advisor requests it. The credential holder has a right to receive full credit for all hours spent at professional growth activities (a) that are identified on the professional growth plan signed by an Advisor, and (b) for which reasonable verification of time spent has been presented to an Advisor.
 - ii. Upon completion of any approved activity, the unit member shall submit to his/her Professional Growth Advisor a form which contains the following information: Type of activity engaged in, a brief description of activity engaged in, dates of the activity, and the number of clock hours spent in the activity.
7. The holder of a child development permit and the District-appointed Advisor shall maintain accurate, up-to-date records of the implementation of an individual program of professional growth. It is the primary responsibility of the holder to maintain such records.
8. Development, certification, and implementation and/or verification of a Professional Growth Plan shall be independent of any evaluation of the performance of the unit member that is conducted for determining the unit member's employment status.
9. Salary schedule advancement shall be pursuant to current rules and regulations of the District and Contract.

H. Modifications to Staffing Allocation

1. Preschools with both AM and PM sessions will be staffed with 2 FTE preschool teachers. The AM teacher will partner with the PM teacher in the PM class and the PM teacher will partner with the AM teacher in the AM class for the full duration of class hours. Each teacher will be the teacher of record for one class (AM or PM) and will fulfill all professional responsibilities for their assigned class. This will be phased in effective July 1, 2016 by converting existing doubleton classes to the model described above. This will be the model for new hires.
2. The District may have no more than six (6) .70 singleton teacher(s) in the preschool program.

Title	Grievance Procedure
Code	Article 08
Status	Active
Adopted	February 11, 2020
Last Revised	December 16, 2019

Grievance shall be limited to matters concerning the specific provisions of the agreement. A grievance means a claim by a unit member or unit members that the terms of the contract have been violated, improperly applied, or misinterpreted. This procedure shall constitute the sole and exclusive method for adjustment of grievances.

A. Level I

Any unit member who claims a grievance shall present the grievance informally to his or her immediate supervisor within fifteen (15) days after the event in contention. The immediate supervisor shall give an answer to the unit member not more than three (3) workdays after the grievance is presented.

B. Level II

Within five (5) workdays after completion of Level I, the grievance, if it has not been resolved, shall be presented by the unit member to the Personnel Administrator or his designated representative, in writing, signed by the grievant. The Personnel Administrator shall report the decision in writing to the grievant and the Association's grievance committee person within five (5) workdays.

C. Level III

Within five (5) workdays after completion of Level II, the grievance, if it has not been resolved, shall be presented by the unit member to the Superintendent or his designated representative and the Association's grievance committee person in writing, and a meeting between the Superintendent and the grievant shall be requested. Following the meeting, the Superintendent shall inform the grievant and the Association's grievance committee person in writing of the decision. If this action is not completed within five (5) workdays, the grievance may proceed to Level V.

D. Level IV

Within five (5) workdays after the completion of Level III, the grievance, if it has not been resolved, shall be referred to a fact-finding committee consisting of three (3) members: one appointed by the Governing Board, one appointed by the Association, and a chairman selected and mutually agreeable to both the Governing Board and the Association. Such notice shall be in writing and shall be signed by the unit member initiating the grievance and the Association's grievance committee person. Within five (5) workdays after the receipt of such notice, the fact-finding committee shall meet to determine the facts relating to the grievance. Within fifteen (15) workdays the committee shall submit its recommendations or reasons for extending the time to the Superintendent and the Association's grievance committee person in writing of the decision. The Superintendent will then have five (5) workdays to consider these recommendations and shall inform the grievant and the Association's grievance committee person in writing of the decision. If the decision is not satisfactory to both parties, the Association may submit it to

Level V for arbitration. All costs for fact-finding shall be shared by the District and the Association.

E. Level V

1. Within fifteen (15) workdays after the completion of Level IV, the grievance, if it has not been resolved, shall be noticed for arbitration. Such notice requesting the arbitration shall be in writing and shall be signed by the Association's grievance committee person and by the unit member who initiated the grievance. Within ten (10) workdays after receipt of such notice, the Governing Board or designated representative and the Association's grievance committee person shall select an impartial arbitrator. If the Governing Board and the Association's grievance committee person cannot agree upon an arbitrator, the State Conciliation Service shall be asked to submit an odd-numbered list of arbitrators from which one will be selected by each party striking a name from the list until one name remains who will become the arbitrator.
2. The arbitrator so selected shall confer with a representative of the Governing Board and the grievant and/or the grievant's representative and hold hearings promptly, and shall issue his decisions not later than twenty (20) workdays from the date of the close of the hearing, or if oral hearings have been waived, then from the date the final statements and proofs are submitted to him. The arbitrator's decisions shall be in writing and will set forth his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decisions which require the commission of an act prohibited by law or which is in violation of the terms of this agreement. The decision of the arbitrator shall be submitted to the grievant, the Association's grievant chairperson, and the Governing Board within thirty (30) workdays. It is agreed that the arbitrator is empowered to include in any award such financial reimbursement or other remedies within the terms of this agreement as he judges to be proper. The arbitrator shall have only the authority set forth herein and shall have no power to add or subtract from, or modify any of the terms of this agreement or any agreements made supplementary hereto. The decision of the arbitrator shall be submitted to the Governing Board and the Association's grievance committee person and shall be final and binding upon the parties of this agreement. The costs and expenses of the arbitration shall be shared equally by the parties. Each party shall pay the costs of preparing and presenting its own case.

F. Miscellaneous:

1. No reprisals of any kind shall be taken by either party, against any person, as a result of grievance actions.
2. The Association's grievance committee person may initiate a grievance at Level II which affects more than one unit member in a single building or unit members in more than one building.
3. Records shall be maintained in a separate district file for the agreement period plus one (1) year.
4. Any grievance which has not been presented under this procedure within the time limit specified herein, and any grievance which is not appealed to the next appropriate level within the applicable time specified herein, shall be considered settled and shall not be subject to further actions under this procedure, except the Governing Board may, upon application by the grievant, allow the time limit to be extended.
5. Any timelines specified herein may be waived or modified by mutual agreement of the parties. Any such agreement shall be reduced to writing.
6. The District and the Association agree that it is to their mutual benefit to resolve differences through the Grievance Procedure outlined above and therefore in instances where a successor agreement had not been adopted, the parties agree to process grievances through Level IV in accordance with this article, however, if the Superintendent's decision in Level IV is not satisfactory to both parties, the grievance will be tabled until a successor agreement is adopted.

A. Voluntary Transfer

A voluntary transfer is defined as an employee-initiated change of work location which has been approved by the district. Title	Leaves with Pay
Code	Article 16
Status	Active
Adopted	March 11, 2025
Last Revised	January 27, 2025
Prior Revised Dates	10/27/2022

A unit member on a paid leave of absence shall be entitled to receive wages, credit for annual salary increments, fringe benefits, insurance, retirement credit appropriate to the leave, and to return to the same administrative unit and to the same assignment from which the unit member left if that assignment still exists.

Effective July 1, 2025, unit members have a total of up to ten (10) paid days of leave per year. They may be used as follows:

1. All ten (10) days may be used for illness
2. Seven (7) days may be used for Personal Necessity as defined by Personal Necessity
3. Seven (7) days may be used for Compelling Personal Importance with a maximum of three (3) consecutive days.
4. Earned sick leave, Personal Necessity, and Compelling Personal Importance days in total, may not exceed ten (10) days per year.

A. Sick Leave: This includes all personal illness or accidents to the unit member.

1. All unit members of the District are entitled to yearly sick leave with full pay at the rate of ten (10) days per year regardless of calendar year program assignment.
2. All unit members may use sick leave from the first day of the school calendar year even though they were unable to report for duty, provided that they notify their immediate supervisor or the personnel office. Both annual and accumulated sick leave may be used, but the annual sick leave will be refunded by the unit member if not earned subsequently during the school year it is taken.

3. Maternity Leave: Following childbirth, permanent unit member(s) shall have up to eight (8) workweeks of fully paid maternity leave applied only during the pregnancy disability period, i.e. six (6) weeks following a typical delivery and eight (8) weeks following a cesarean delivery. The leave will be applied to "contract days" for which unit members are paid, therefore, non-paid days (weekends and breaks) do not count against the up to eight (8) weeks of paid leave. These maternity leave days shall not be deducted from the unit member's accumulated leave balance. If any portion of the unit member's pregnancy disability period falls outside their work year, the unit member may use the remainder of six (6) weeks of paid maternity leave within one (1) calendar year of the birth of the child in increments of not less than one (1) week. It is the responsibility of the bargaining unit member to notify the District and provide documentation regarding the childbirth.
4. After the exhaustion of sick leave including any accumulated sick leave, a unit member shall be entitled to five months (100 days) of extended illness leave (commonly referred to as differential pay). For the purpose of calculating differential pay, the general education substitute teacher rate, effective July 1 of each school year, shall be used for the entire year regardless of any adjustment which might be made to the actual rate of pay for substitute teachers. At the end of the five-month period, if the unit member is unable to return to work, the unit member shall be placed on a rehire list in accordance with Education Code sect. 44978.1. A unit member is entitled to only one five-month period of such leave per illness or injury. Documentation is required for the use of differential pay.

When a unit member is absent from duty on account of an illness or injury for three (3) days or more, the District may require the unit member to present a medical verification and release to return to duty from a licensed physician. The District reserves the right to require a medical examination at the District's expense to verify fitness for duty. In such event, the District will provide release time for such examination. In the event the physicians do not concur regarding the employee's ability to return to work, the District will work with the employee and the Association to reach a satisfactory resolution. Where applicable, in cases concerning mental illness, the District will use the procedures set forth in EC 44942.

Should a continuous long-term illness/disability require a unit member to utilize differential pay (differential pay is the bargaining unit member's daily rate less the general education substitute daily rate) benefits beyond June 30 of a school year into a subsequent year, the substitute rate used to calculate differential pay in the subsequent year shall also be the rate in effect July 1 of the preceding year for the duration of the continuing illness/ disability or until their differential paydays are exhausted.

5. Regular unused sick leave may be accumulated without limit to be used during the regular school year.
6. Whenever all paid sick leave is exhausted, the unit member shall be granted a leave without pay for a period not to exceed six (6) months. (For additional leaves, see Leaves Without Pay).
7. If a unit member is employed less than a full year, or on a part-time basis, the benefits of this section shall be prorated accordingly.
8. Parental Leave: Sick leave may be used for parental leave. Parental leave is defined as leave taken for the birth of a child of the employee or placement of a foster or adoptive child with the employee. When an employee has exhausted all accumulated sick leave, and continues to be absent from his or her duties on account of parental leave, the employee shall be compensated at the differential pay rate described in

paragraph A.4 of this article for the remaining portion of the 12-workweek period of parental leave. The 12-workweek period of parental leave shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of parental leave. An employee shall not be provided more than one 12-workweek period for parental leave during any 12-month period. Parental leave pursuant to this paragraph shall run concurrently with parental leave taken under the Family Medical Leave Act or the California Family Rights Act. The basic minimum duration of parental leave is two weeks. However, the District shall grant a request for parental leave of less than two weeks duration on any two occasions. The purpose of this paragraph is to comply with Education Code 44977.5.

B. Calamitous/Catastrophic Event Leave: The District and CVEA desire to create a bank of sick leave days from which eligible bargaining unit members may apply for additional sick days when they or their family members are suffering from a catastrophic illness, injury, or calamitous event.

1. Definition

- a. In cases affecting a bargaining unit member, a catastrophic illness or injury is defined as one that is expected to incapacitate the bargaining unit member for an extended period of time and which causes the bargaining unit member to exhaust all fully paid leave. An extended period of time is defined as in excess of 30 work days/6 work weeks. Leave bank donations will run concurrently with the 100 days of extended illness leave (commonly referred to as differential pay, Article XVI A.4.)
- b. In cases affecting a bargaining unit member's family, a catastrophic illness or injury is defined as an instance that requires the employee to take time off from work to care for that family member for an extended period of time as defined by the Family Medical Leave Act. In such instances, the unit member must submit verification to the Personnel Department. Once certified, the unit member will be required to exhaust all available leave prior to accessing the bank. An extended period of time is defined as in excess of 30 work days/6 work weeks.
- c. Maternity and/or childcare leaves shall be considered catastrophic only if qualified as defined.
- d. A calamitous event is an event of significant nature such as flood, fire, earthquake, etc.
- e. Employees absent from work due to a work-related injury are not eligible to apply for sick leave from the bank as leave provisions and wage payments are separately provided for under Workers' Compensation.

2. Management

- a. The governance shall be a joint responsibility of the Association and the District. The Committee shall consist of four (4) members, two (2) selected by the Association and two (2) selected by the District. A quorum shall exist when three (3) members are present. The Association President shall designate the Chair. Approval/disapproval of the leave shall be by a majority vote.
- b. All requests will be answered in writing within ten (10) workdays of the decision. Strict confidentiality shall be maintained.

- c. When the days in the bank are projected to drop below one hundred fifty (150), an additional contribution of one (1) day will be assessed. In the event that an adequate number of donations are not received, the bank will be disbanded and the remaining contributions will be proportionately returned to active members of the bank.

3. Denial

- a. Bargaining unit members who are injured or become ill while on an unpaid leave of absence are not entitled to the use of the bank until such time as they are scheduled to return from the leave and have exhausted their accumulated sick leave and differential leave.
- b. If the committee denies a request for a withdrawal from the bank, the bargaining unit member making the request shall be notified in writing of the reason for denial. Unit members subject to denial may resubmit their request with new or additional information.
- c. If the committee has insufficient days to fund a withdrawal request, neither CVEA, the Committee or the District shall be under any obligation to pay the unit member.

4. Eligibility

- a. To be eligible to request a leave bank donation, unit members must:
 - i. Donate one (1) day each year during the established enrollment period until the bank reaches a balance of 750 days.
 - ii. To maintain eligibility, leave bank members must donate an additional day during the academic year upon request as required under 2c.
 - iii. Should a member have insufficient leave balances to meet the donation requirement, leave bank eligibility shall be terminated.
- b. Unit members new to the profession (in their first year) or new to California will automatically be eligible without having to donate days for the first year. At the conclusion of the one-year period, unit members must meet the requirements in 4a.
- c. If a bargaining unit member does not join at the first request, he/she must wait until the next enrollment opportunity, and eligibility will become effective 30 calendar days after the first contribution.
- d. In a calamitous leave situation, employees are required to access available leave prior to accessing the leave bank.
- e. Proof of need must be included in every request to use the bank.

5. Responsibilities

- a. The District shall maintain a record of all bargaining unit members who have joined and are currently enrolled in the bank.
- b. The District shall verify an applicant's sick leave to the committee and provide the applicant's remaining paid leave balance.
- c. The Association shall help solicit donations during the enrollment period.

- d. When the leave bank falls below one hundred fifty (150), the District shall assess a maximum of one (1) additional day from each Leave Bank Member.

6. Donations

- a. All donations are irrevocable.
- b. Donations shall be a minimum of one (1) day and a maximum of two (2) days per academic year.
- c. Donations to the bank are general and are not to a specific member.

7. Withdrawals

The plans currently available to unit members are the Kaiser 10/20, VEBA Direct HMO \$10, UHC Signature Value Alliance 20/30, Nexus ACO Select Plus PPO 80/50-No HRA, UHC Journey-Harmony and the SIMNSA \$5 (Mexico Plan). Eligible employees may select the dental coverage through the Delta Dental PPO or Delta Care USA Dental HMO.

The employee-paid co-premiums will be set based on a formula in which the District will contribute 75% of the increases and the employee will pay 25% of the increases for the Kaiser 10/20 Plan.

1. District Contribution

- a. The employee-paid co-premium amounts are set forth as Addendum 6, columns 2 and 3.
- b. The District shall contribute toward the annual cost of health benefits as set forth in Addendum 6, column 4.

Full-time employees and employees with a contract greater than 50% will pay for the cost of health benefits that exceed the District contribution amounts set forth in Addendum 6, column 4. The employee co-premium amounts are calculated by subtracting the District contribution from the plan cost and dividing by 11 to determine the monthly payroll deduction.

- ii. For part-time employees eligible for individual benefits only (employees with a 50% contract):

Part-time employees will pay the difference between the cost of the individual plan and the amount of District contribution set forth in Addendum 6, column 4 through eleven monthly payroll deductions. Employees do not receive financial compensation for electing to waive health benefits.

3. Employees Enrolled as a Dependent of Another Cajon Valley Employee

District employees who are eligible for benefits, and whose spouse/California registered domestic partner is also a District employee eligible for benefits, may each enroll in their own benefit account and will each pay an employee co-premium. Effective December 1, 2006, District employees who are eligible for benefits, and who are already enrolled only as a dependent of another district employee and do not pay a co-premium may continue that practice. Under VEBA rules, no additional employees will be permitted to enroll only as the dependent of another district employee. PEER ASSISTANCE AND REVIEW PROGRAM

The parties desire to establish and maintain a program, as permitted by Chapter 4 of the Statutes of the 1999-2000 first Extraordinary Session, to provide assistance to permanent teachers employed by the District who are in need of development in subject matter knowledge and/or teaching strategies or skills. This program shall hereinafter be entitled the Peer Assistance and Review Program (sometimes referred to as “PAR” or the “Program”).

The Cajon Valley Education Association and the Cajon Valley Union School District strive to provide the highest possible quality of education to the students of the District. Both parties agree that optimum student performance can be achieved only if there is a fully qualified teacher in every classroom. Therefore, the parties agree to cooperate in the design and implementation of a professional development program to improve the quality of instruction through expanded and improved staff development, peer assistance, and professional accountability.

Teachers participating in the Peer Assistance and Review (PAR) Program are viewed as valuable professionals who are entitled to have resources available to them to enhance continuous performance improvement. The prime focus of this program is to provide assistance and renew quality teaching.

- A. The Peer Assistance and Review Program shall be administered by a Panel. The Panel shall consist of seven members, three of whom shall be selected by the Cabinet, and four of whom shall be classroom teachers and appointed by CVEA Board of Directors. Decisions shall be made by consensus where possible. There must be a quorum of five-panel members should a vote be required. If consensus cannot be reached, decisions will be made by a majority vote. There shall be three elementary teachers and one middle school teacher on the Panel. Program consultants may be used to assist the Panel for special needs situations. PAR Panel members shall serve not less than three and not more than five years.
- B. The Panel shall be chaired in the first year by an administrator and in the following year by a teacher. The chair shall, thereafter, rotate on an annual basis between CVEA and administrative members.
- C. PAR Panel Policies and Procedures
 1. The PAR Panel shall be responsible for:
 - a. Meeting at least four times annually to discuss program implementation and to review the work of the Consulting Teachers with their Participating Teachers.

- b. Providing teachers on the PAR Panel an annual stipend of \$1,000 for services during the regular school year.
- c. Selecting Consulting Teachers and Support Providers by the majority of the Panel and providing for their training.
- d. Reviewing Referred Teachers reports prepared by Consulting Teachers.
- e. Making recommendations to the Governing Board concerning Referred Teachers.
- f. Forwarding to the Governing Board the names of individuals who, after sustained assistance, are not able to demonstrate satisfactory improvement.
- g. Preparing an annual review of the impact of the PAR Program, including recommendations for improvement.
- h. Sending written notification of participation in the PAR Program to the Referred Teachers, the Consulting Teachers, and the site principal.
 - i. Evaluating Consulting Teachers, their recommended interventions, and their documentation.
 - j. Accepting or rejecting requests for assistance from individual teachers.
 - k. Monitoring the progress of Participating Teachers.
 - l. Establishing the protocol that a Panel member shall neither participate in discussion nor vote on any matter in which he/she has a professional or personal conflict of interest. If necessary, the Panel shall determine if a conflict exists that justifies abstention from discussion. Alternates may be brought in as needed as determined by the PAR Panel.
- m. Establishing a procedure for application as a Consulting Teacher.
- n. Recommending the number of Consulting Teachers in any school year, based upon participation in the PAR Program, the budget available, and other relevant considerations as determined by the PAR Panel at the end of the school year.
- o. Selecting and compensating curriculum and other specialists to assist Consulting Teachers in the performance of their duties.
- p. Providing Peer assistance and review to eligible teachers through Consulting Teachers at an appropriate ratio of eligible teachers to Consulting Teachers depending on available funds, experience, and other factors as determined by the PAR Panel.
- q. Submitting annually its budgetary recommendations to the Cabinet, which shall include, but not be limited to, the hiring of Consulting Teachers and Support Providers, stipends, travel and conference, teacher release, staff development, books and supplies, awards and incentives, consultants and any other items as deemed appropriate by the Panel. The budget shall be developed based on the consideration of these recommendations. The Panel shall review the budget prior to board approval. If any expenditure exceeds \$5,000 of the approved budget category, the expenditure shall be brought back to the Panel for review prior to initiating any budget transfers.
- r. Funding all personnel through the PAR budget for services which enhance teaching skill, provide staff development opportunities and/or other duties as determined by the PAR Panel.
- s. Providing each Consulting Teacher with a discretionary budget to support the professional development of the teachers they are assisting.
- t. Reviewing Support Provider documentation and recommending continuation of services by the end of the current school year.

2. All materials related to evaluations, reports, and other personnel matters shall be confidential, subject to the following exceptions:

- a. In response to a subpoena or order of the court;
- b. The Final Report may be used by the District in any disciplinary action regarding the Referred Teachers.

D. BTSA Teachers

- 1. Effective with the 2010-2011 school year, the BTSA program shall be suspended and the program funds shall be transferred to the General Fund for general purpose use. Teachers who completed year 1 of the program during the 2009-2010 school year shall be provided a Support Provider and will complete the program during the 2010-2011 school year.

E. Referred Teachers

1. 1999-2000

- a. This component of the Program shall provide intervention to permanent teachers who receive an overall “needs improvement” on the certificated appraisal instrument or receive two or more “needs improvement” within any of the subcategories. These teachers shall be referred by the principal for intervention under this Program.

2. 2000-2001

- a. Teachers who receive an overall appraisal of “needs improvement” on the California Standards for the Teaching Profession or receive two or more “needs improvement” on any of the standards of the California Standards for the Teaching Profession, excluding Standard VI on the District’s Certificated Appraisal Instrument, shall be referred to the Peer Assistance and Review Panel by the principal for intervention under this Program.
- b. Assistance, remedial efforts, and activities shall be intense and multifaceted. Such assistance, remedial efforts, and related activities will be included in an Individual Learning Plan, which will be developed for each Referred Teacher. Individual Learning Plans will be developed during conferences attended by the teacher being referred, the referring principal, the current principal if different than the referring principal, and the Consulting Teacher.
- c. This Program and the District’s evaluation functions shall operate independently of each other; however, a cooperative relationship between the principal and the Consulting Teacher is encouraged with respect to the process of peer assistance and review. Nothing within this agreement or within the Program shall prohibit or limit the District and the Governing Board from exercising its legal or contractual right regardless of the participation of a teacher within the Program. Such rights include, but are not limited to, the issuance of a notice of unsatisfactory performance, issuance of a notice of intention to dismiss from employment, involuntary transfer, involuntary reassignment, demotion, promotion, and evaluation independently of the Program. Decisions and actions within the Program are not binding on the District nor the Governing Board.
- d. Teachers referred to this Program involuntarily shall not be eligible for voluntary transfer while they remain in the Program except if a more senior permanent teacher is impacted.

F. Permanent Teacher Voluntary Participation

1. A Volunteer Teacher is a teacher with permanent status who volunteers to participate in the PAR Program. The purpose of participating in the PAR Program for the Volunteer Teacher is for peer assistance only, and the Consulting Teacher shall not participate in a performance review of a Volunteer Teacher. The Volunteer Teacher may terminate his or her participation in the PAR Program.
2. All communication between the Consulting Teacher and Volunteer Teachers shall be confidential, and without the written consent of the Volunteer, shall not be shared with others, including the site principal, the evaluator, or the Panel.

G. Consulting Teachers

1. The Panel shall appoint Consulting Teachers who will assist participants in the Peer Assistance Program.

Title	Sabbatical Leave
Code	... Addendum 3
Status	Active
Adopted	February 14, 2017

- A. Sabbatical leave is a privilege and an honor. The Governing Board may grant leaves to teachers who have completed at least seven (7) consecutive years of service. Leaves shall require written objectives, the attainment of which will clearly enrich and benefit the pupils of the District. Leave may be granted for study, research and/or travel and observation in connections with an approved project. If leaves are granted, funds will be made available. The Governing Board agrees to continue selection of personnel for sabbatical leave in accordance with its Regulation 4152.
- B. During negotiations, the Governing Board and the Bargaining Unit shall agree upon the amount of funds from the general budget that will be committed for the following year. It will then be the responsibility of the Sabbatical Leave Committee to apportion out the available funds to unit members in pursuit of a sabbatical leave. Not more than one sabbatical leave year shall be granted to any one teacher in each eight-year period (inclusive of the sabbatical year). Leave shall be granted for one-fourth, one-half, or one full-year period of time as recommended by the Sabbatical Leave Committee as needed to fulfill the requirements of the leave request but may not exceed one year in length.
- C. Leaves of absence of any kind granted by the Governing Board, other than sabbatical leave, shall not constitute a break in the continuity of service required for the sabbatical but shall not be counted in the required seven years of service.
- D. Compensation is to be 75% of the teacher's regular salary based on the salary schedule of the leave year. All benefits, excluding sick leave, shall continue without interruption during the leave period. Sabbatical leave shall not interrupt the teacher's normal progress on the salary schedule.
- E. An approved applicant shall, at his or her own expense, furnish a surety bond of a corporate surety authorized to do business in California and shall be approved by the Governing Board.
- F. The amount of the bond shall be equal to the total compensation to be paid to the applicant during the period the leave is in effect. The bond must indemnify the District against failure of the applicant to fulfill his or her obligation to serve the District at least twice the period of the sabbatical leave beyond the completion of the sabbatical term. The bond shall be exonerated in the event the teacher's failure to return and render service is caused by death or physical or mental disability of the teacher. The Governing Board may require proof of the disability. Death, disability, or serious continuous illness shall nullify the necessity of the teacher to fulfill the aforesaid obligation and no penalty shall be expected of the teacher, the heirs, or the surety.
- G. Should the teacher be unable to continue the sabbatical leave because of accident, serious illness or unforeseen circumstances, for reasons acceptable to the Governing Board, he or she shall be permitted to return to the District to be reinstated in a similar position to the one held at the time the leave was granted, if available. Request for termination of the leave shall be submitted to the

Superintendent or his designee for consideration and approval.

- H. The contribution to the State Teachers' Retirement System shall be made by the teacher and by the District as though the teacher were on active duty excepting that these payments will be made only on the actual compensation paid by the teacher.
- I. At the expiration of the leave, the returning teacher shall be reassigned to the same position held prior to going on leave unless, by mutual agreement, another position is offered and accepted. The Governing Board shall be freed from any liability for the payment of any compensation or damages provided by law for the death or injury of the teacher while on leave.
