

Dear Statesmen Alumni,

In 2026, Webster Groves Family and Friends (WGFF) will proudly celebrate 20 years of tradition, connection, and community.

What began as a Webster Groves High School Class of 1979 Reunion has become a cherished legacy that connects generations. In 2026, we're honoring that legacy with special events. Today, we're reaching out to you, our family, friends, and community champions to help us make these events unforgettable!

Since our inception, WGFF has proudly awarded more than 100 scholarships, totaling over \$55,000, to graduating students at Webster Groves High School. As we celebrate 20 years together, our goal is to raise \$20,000 to continue supporting our students and the community. Now more than ever with the cuts to higher education, these students need your support!
