Mission

We, the educators of Crespo Elementary, are dedicated to providing a meaningful learning environment, with respect and fairness, where students can achieve their highest potential through academics and Fine Arts.

Vision

Every child at Crespo Elementary shall be provided with a meaningful, equitable, and flexible education in a safe learning environment. Through academics and fine arts, our students will become independent and creative thinkers who will build future opportunities for success.

C - Children First **R** - Respect **E** - Excellence **S** - Support **P** - Passionate **O** - Opportunity

- **Updated Grade 5 Math Curriculum Design**-HISD is updating the Grade 5 Math curriculum, to provide more opportunities for students to enroll in AP math courses in High School.
- **Parent/Teacher Conferences**- The conferences are officially set for Wednesday, March 18. Teachers should prepare a brief "Progress Snapshot" for each student covering:
 - Academic Standing: Current grades and assessment performance.
 - Social/Emotional Growth: Classroom behavior and peer interaction.
 - Action Plan: One specific goal for the student to achieve before the end of the term.
- **Gr.3-5 STAAR Night/School Choice Grade 5 Bridge**- The meeting is scheduled for March 5. The specific dates for 3rd-5th-grade Reading and Math assessments will be reviewed. Tips will be provided to parents on how to support students (consistent sleep, reading at home). We will also have several middle schools with showcases of their schools and will have assistance to complete the School Choice application.
- **Distinguished Teacher Application** are in process and will continue the evaluation of the portfolio against the established rubric. Further classroom observations may be scheduled to validate the documented "Exceptional Growth" phase.

- **Room Consolidation/Roof Project-** Due to current student enrollment shortages, the consolidation project is now in effect. All T-building classrooms identified for consolidation are now officially closed. Physical signage has been posted on the doors of all affected rooms to notify staff, students, and visitors of the transition. An ongoing roofing project is also at Crespo site. The project remains in progress but is currently experiencing a temporary standstill. Significant shortages in construction materials have impacted the timeline. Work will resume as soon as the necessary supplies are secured. The site is being monitored to ensure safety and structural integrity during this waiting period.
- Questions, Comments and/or Concerns - None
