AGENDA

- Enrollment Update

  We have noticed that hosting Shadow Days has had a very positive impact on enrollment. Over the past few months, we have enrolled approximately 16 new students. Currently, we are at 396 students for the 2026–2027 school year, including 24 kindergarten students. We're encouraged by this growth and will continue offering Shadow Days to support enrollment efforts.

- Possible School Name Change

  Our school's Marketing Team (PTO member, teachers, Principal, and Assistant Principal) has discussed a possible name change to **Copper Ridge Academy**. As a next step, we need to conduct a survey of our community to determine whether there is support and interest in moving forward with this change. We will also need to review the potential financial impact associated with a name change. If we decide to proceed, we will ensure that all appropriate steps are followed and submit the proposal to the Governing Board for approval.

- Phase 2 Updates

  The survey will be distributed in May by Dr. Menzel. We have had 90 individuals apply to serve on the committee, and 40–50 members will be selected. At this time, we need approximately 50 additional students to enroll to meet our target
