PARENT WORKSHOP: PREPARING YOUR CHILD FOR LIFE AFTER HIGH SCHOOL

Newport-Mesa Unified School District

Newport-Mesa Unified School District Special Education Department is excited to host a Parent Workshop. This informative workshop is designed to support families of students with IEPs as they plan for life after high school.

District staff and community partners will share valuable information to help families make informed decisions that align with their student's strengths, interests, and goals. This is a great opportunity to ask questions and better understand the supports available to students as they prepare for adulthood.

We welcome and encourage parents, guardians, and family members of students with IEPs or disabilities to join us.
