

Parent Organizations Support

**BOOSTER
CLUBS**

Monthly Support Labs

Support Labs are available each month and cover topics that all parent organizations need help with throughout each school year.

Resources & Networking

Both in-person and virtual Support Labs offer Resources & Networking Opportunities.

Training & Coaching

Training & Coaching are provided for parent organization leaders and volunteers.

Growth Strategy & Planning

Working on strategy, goal setting, and creating a plan of action is a main focus in support provided.

Team Building

Leaders of parent organizations will learn about working as a team, with each other & with school staff to achieve set goals.

Collaboration Techniques

Tips, Tools, & Techniques learned from the support provided help leaders & volunteers collaborate for effective family engagement.
