FRENCH I (GR/MMC) (21F) – F010 9, 10, 11 1.0 credit

This dynamic course dives straight into **communicative proficiency**, giving you the confidence to speak, read, and understand French in **authentic, real-life settings**. Explore the vibrant culture and customs of French-speaking people across the globe, including France, Canada, Africa, and the Caribbean through theme-based projects and gain valuable **interpretive, interpersonal, and presentational** language skills. Exposure to real-life film, music, and media of the French speaking world. Cultural studies will include French cuisine, schools, family life, calendar, music, famous people, art, and geography.

*Course content may address skills pertaining to these potential Career Zones: Arts and Communications, Business, Management, Marketing and Technology, Human Services, Health Science and more!

FRENCH II (GR/MMC) (21F) – F020 9, 10, 11, 12 1.0 credit

PREREQUISITE: French I or its equivalent

Journey to Fluency and Cultural Immersion!

French II is an **accelerated, high-octane course** designed to move you beyond basic proficiency toward true conversational independence, giving you the confidence to **speak, read, and understand complex French** in diverse, real-life settings. This dynamic class will **sharpen your spontaneous communication skills**. You will dive deeper into **advanced cultural exploration** with topics such as Paris, café culture, fashion, parties, travel, and leisure activities. Move beyond the textbook with real-life film, music, and media to achieve a new level of linguistic and cultural mastery.

*Course content may address skills pertaining to these potential Career Zones: Arts and Communications, Business, Management, Marketing & Technology

FRENCH III (GR/MMC) (21F) – F030	10, 11, 12	1.0 credit
PREREQUISITE: French II or its equivalent		
French III continues a balanced skills approach to an in-depth study of the French language. The course will be conducted as much as possible in French and students will be encouraged to use French whenever they are in the classroom. Emphasis is placed on spontaneous use of the language. The study of the French speaking world and related culture will continue. Selected readings from other sources will be used to supplement the readings in the text. Regular use of the language lab will be an integral part of the curriculum. *Course content may address skills pertaining to these potential Career Zones: Arts and Communications, Business, Management, Marketing & Technology		
FRENCH IV (GR/MMC) – F040	11, 12	1.0 credit
PREREQUISITE: French III or its equivalent		
French IV also continues the balanced skills approach but at a more complex level. The class is taught in French and students are expected to use French in the classroom. Emphasis is placed on oral communication skills, accuracy of written expression, and comprehension and enjoyment of literary works. A more complete understanding of the French perspective is explored. French cultural studies continue, and students will study aspects of French history, literature, and art. Readings will include novels, short stories, and poetry. Regular use of the language lab will be an integral part of the curriculum. *Course content may address skills pertaining to these potential Career Zones: Arts and Communications, Business, Management, Marketing & Technology		
FRENCH V/ADVANCED PLACEMENT LANGUAGE and CULTURE (GR/MMC/C) (21F) – F050	12	1.0 credit
PREREQUISITE: French IV or its equivalent		
The Advanced Placement French Language course is a yearlong course available to students who have successfully completed French IV or its equivalent. The focus of this course is to prepare students for university level placement tests as well as the Advanced Placement exam. In addition, this course will allow students to further their proficiency in reading, writing, speaking and listening in French. Students will continue to explore the culture of Francophone countries as it is interwoven through language and literature lessons. Regular use of the language lab will be an integral part of the curriculum. *Course content may address skills pertaining to these potential Career Zones: Arts and Communications, Business, Management, Marketing & Technology
