Changing the world!
In school and beyond.

21 schools serving
TK-8th-grade students

Vision

- Changing the World!
- Inspired, Accomplished, Multilingual Global Citizens – In School and Beyond
- In Oxnard School District, we nurture self-confident and empowered multilingual global citizens, strong in their multiple identities and potential, who achieve inspired levels of individual, community, and social accomplishment in school and beyond in their endeavors.

Mission

IGNITE • TRANSFORM • NURTURE • EMBRACE

- **IGNITE** students' passions for learning and empower them to achieve brilliance.
- **TRANSFORM** our classroom and school expectations, relationships, and practices to more fully align with our values.
- **NURTURE** caring communities that develop students' full identities, linguistic/cultural/academic excellence, social-emotional health, and life potential.
- **EMBRACE** high-leverage services and approaches that translate our values into action.

OSD Student Profile

Oxnard School District students will be promoted from our schools with the following traits:

Innovator

Students will be creative writers, successful readers and mathematical thinkers; able to create, design, and apply new knowledge in a variety of contexts.

Problem Solver

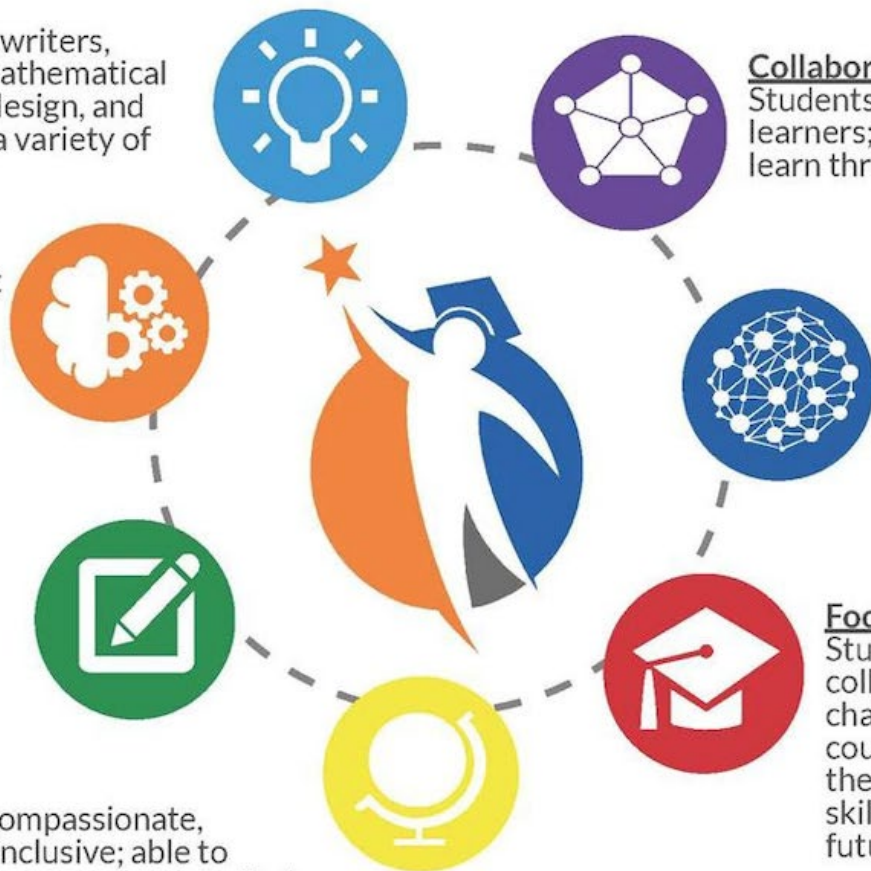

Students will be confident and solution oriented; able to demonstrate a growth mindset and advocate for themselves and for others.

Achiever

Students will be able to demonstrate their knowledge on local and state measures in all academic areas.

Global Thinker

Students will be compassionate, multilingual, and inclusive; able to understand and to convey pride in their identity, heritage, and history.

Collaborator

Students will be collaborative learners; able to communicate and learn through and with others.

Digital Learner

Students will be technologically, artistically, academically and linguistically prepared to succeed and to lead.

Focused on the Future

Students will be high school, college, and career ready; challenged to select rigorous courses and equipped with the tools, knowledge, and skills to be prepared for the future.

21st-Century Learning for Every Student

We Are Advancing California's Vision for Biliteracy

10 of 20 schools
are full biliteracy
campuses

2 additional
biliteracy strand
programs

8th-graders take
the AP Spanish
Language &
Culture Exam

Competitions and Events That Build Confidence & Leadership

Our students apply learning beyond the classroom.

- Ventura County Science Fair
- Battle of the Books
- Math Mindset Competition
- AKA African American Speech Contest
- Cesar Chavez Speech Contest
- Career Fair
- OSD Creates Showcase
- Student Performances
- Heritage Celebrations

Competitions and Events That Build Confidence & Leadership (cont.)

These experiences prepare students with the skills today's workforce and communities need most:

critical thinking, multicultural competence, leadership,

the same skills employers, colleges, healthcare systems, and community organizations seek every day.

Educational Partners Involved in the Development of Oxnard Empowers

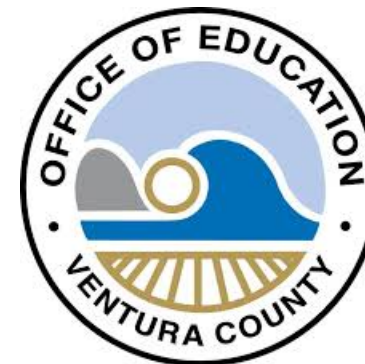

Without community partners, we cannot do the work we do. Beyond the classroom, we support the whole family with:

- Career pathways and college preparation
- Mental health and wellness support
- Basic needs assistance for families
- Enrichment and expanded learning opportunities
- Community resources and connections
- Real-world learning experiences

Partner Highlight

- CSU Channel Islands
- Oxnard College
- Ventura County Office of Education
- City of Oxnard
- Healthcare providers
- Local businesses
- Service organizations

How We Serve Families Together

- ★ Connecting families to healthcare, housing, and food resources
- ★ Providing literacy and numeracy workshops for parents
- ★ Offering year-round programming so families have consistent support
- ★ Creating pathways to employment and stability

Oxnard School District is proud to support our thriving community.

How You Can Get Involved

1. Join our District-Wide Career Fair (April 2026)

- Show our students what's possible
- Share your career journey and expertise
- Inspire the next generation of professionals
- Expand their world

How You Can Get Involved (Cont.)

2. Engage with Our Students Year-Round

- Offer mentorship, internships, or job-shadowing opportunities
- Host field trips or site visits at your business or organization
