Student Course Planner
SCHOOLINKS

Choosing your Courses for 9th grade

1. Log into Schoolinks by going to the Clever Icon >> Choose the Schoolinks Logo 
    a. Log in With Clever or Log in with Google
2. You will now be on the homescreen
3. On the left choose the Plan Icon 

>> Course Planner
4. You should see 2025-2026 plan >> Choose 

5. You will see a waving hand welcoming you to begin your course plan choose the 

6. You may skip the program choice page by clicking the 

button in the upper right.
7. You are now in the Course Planner. You will be planning for Freshman Year only. The top of the screen has a navigation bar  for each subject area. You may use this navigation bar to go between content area choices. The waffle at the end is a summary page.
    a. The first page you see is **Language Arts.**  You should have a recommendation for your language arts course already in place by your current teacher. *If you have questions about this recommendation please talk with your current language arts teacher.* You will click the 

button in the upper right to move to the next content area.
    b. **Math** You should have a recommendation for your math course already in place. *If you have questions about this recommendation please talk with your current math teacher.*
    Click 

    c. **Science** If you are currently in Honors Algebra you can choose to take Biology as your science course next year. If you are in on-level math you will take Physical Science.
    Click 

    d. **Social Studies** will have a teacher recommendation already in place. *If you have questions about this recommendation please talk with your current social studies teacher.*
    Click 

e. **Art, Business, World Language** category You may have a course recommendation in here if you are currently in a World Language. *If you have questions about this recommendation please talk with your current world language teacher.* Here you may choose a course from the drop down menu if you are interested in any of the courses in this category. Click Continue →

f. **Physical Education** If you are not using the PE Waiver options please choose the PE course to take as a freshman. If you are choosing the PE waiver option you will see ROTC and Marching Band can be chosen in this category. If you are planning to use 2 seasons of sport as your PE waiver, you will not choose anything here. Click Continue →

g. **Health** Health has already been recommended for you. Click Continue →

h. **Financial Lit.** You will take this your Junior year so leave this blank. Click Continue →

i. The **Electives Category** You will see Freshman Seminar and Freshman Lunch are already in your Electives Category. These are set for all freshmen. Here you may choose 1 Half credit Elective and 1 Year Long Elective or choose 3 Half Credit Electives.. If you want Band or Choir be sure to put them here. Click Continue →

j. **Alternate Course** Please choose 4 alternates. These are classes you would be okay taking in the event a chosen elective course does not fit in your schedule. It is recommended that you choose at least one half credit course as one of your 4 alternates. Click Continue →

8. **Summary Page** You will be able to see all selections on one page. Once you have completed your course selections please click the Submit plan button in the lower right corner. You may be prompted to fix any errors if something was not fully completed when selecting courses. There is a place for Course plan notes that your counselor will see. Then Click Submit Plan.
