West Bloomfield SCHOOL DISTRICT

February 2026

Dear Parents and Students,

Public Act 335. Section 1297B of the State Code requires that any high school student be offered the opportunity to "test out" of any course offered by his/her high school.

> The school will administer **English, World Language, Physical Education, Health, Science, and Social Studies** "testing out" examinations for the 2026-2027 **between May 18th and May 29th.** Students will sit for both midterm and final exams for the specified courses. Test times will be **after school**, and exact times and dates will be scheduled at the beginning of May and pre-registered students will be notified by email. We do not hold test outs for Honors/AP Credits.
>
> The school will administer **Math** "testing out" examinations for the 2026-2027 in **August.** Exact times and dates will be scheduled at the beginning of August and pre-registered students will be notified by email. The test outs will include both midterm and final exams for the specified courses.

The law states that:

> To "test out" for credit, students must exhibit mastery of course content by attaining a passing grade of 77% or better on a comprehensive credit assessment. Students may also be required to demonstrate mastery through basic assessments used in the class, which may include, but are not limited to, portfolios, performance, papers, laboratory experiments, projects and/or presentations.
>
> Credit earned will be based on successful mastery of the required assessment and will be recorded as "pass" on the transcript. The grade will not be included in the computation of the grade point average. Once credit is granted by "testing out," a student may not receive credit for a lower course in that course sequence.

If your student would like to participate in this process, please contact your child's current counselor, at the High School, at 248-865-6760, by **April 10th** for the testing out form. This form must be returned to your child's counselor by April 17th. At this time, students may make arrangements to check out a textbook **(deposit required)** and will be provided with any additional necessary information.

Sincerely,

Eric Pace
Principal
