West Bloomfield High School
Required Guidelines for Testing Out
2026 - 2027 School Year

Parent Initials	Student Initials	
		Parent permission must be obtained by each student under 18 requesting testing out
		Students must attain a grade of 77% or higher on the assessment in order to test out of a graduation requirement course.
		Once a student has received credit or tested out of a course, that student may NOT enroll in or test out of a course that is lower in the course sequence.
		Students are not penalized for failing the testing out examination.
		Students may test out for general courses that satisfy graduation requirements. There are no testing out provisions for Honor/AP courses.
