

1. Download the BusRight App

Find BusRight on the Google Play or Apple App Store by clicking the buttons on the side.

2. Sign Up for an Account

Sign up for an account in the app using the email you were invited with. Then, verify your email.

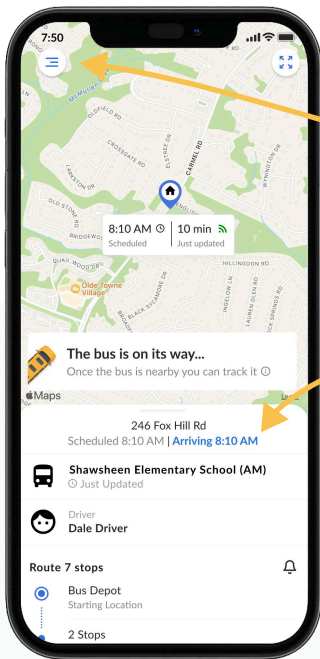

3. Log In to Your Account

Log in to your account using the credentials you just created.

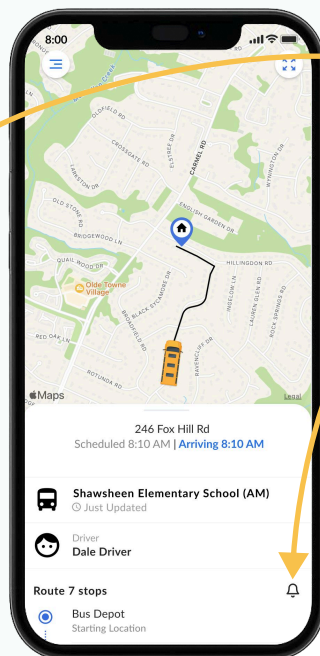

4. View Your Child's Routes

You'll be notified when you can view your child's routes and track their bus. Check scheduled ETAs before the route starts and get real-time updates while the bus is on the move.

Out of stop range view

Within stop range view

Note

Bus tracking is only available once the route is live and bus is within range of your stop.

Switch routes to view morning and afternoon runs or routes for multiple students.

View the scheduled ETAs and the real-time ETAs to your child's stop.

Manage notification settings to receive alerts when your child's bus starts its trip and arrives at their stop.
