⊘ Stop the Fundraising Madness! ⊘

# 5TH GRADE CLASS

**Let's be real: We're all a little "fundraised out."**

Between the cookie dough, the wrapping paper, and the "fun runs," your kitchen pantry is full and your wallet is tired.

**We want to make this easy.**

No selling to neighbors, no social media begging, and zero frozen cheesecakes.

## The "One & Done" Solution!

**We're asking every 5th-grade family to jump on the 6-7 Wagon.**

Why \$67? Because our kids are officially moving on from the 5th grade and heading toward the 6-7 (Matawan Aberdeen Middle School) next year!.

### What's in it for you?

**The Magnet:** You get an exclusive, custom Matawan 6-7 Magnet for your car or fridge. It's the ultimate badge of honor for surviving elementary school.

**The Peace:** You are officially **OFF THE HOOK** for the rest of the year.

**The Fun:** This single donation funds all the "end of an era" magic—the 5th-grade party, the yearbooks, the t-shirts, and the memories.

### How to Jump on the Wagon:

- 1** Breathe a sigh of relief.
- 2** Donate \$67 via check/cash to Lloyd Road PTO
- 3** Rock your 6-7 Magnet with pride.
- 4** Never look at a chocolate bar catalog again.
