CHARLES COVAN

The publication of the 1966 Milestone has been both a pleasure and a challenge to us.

To the students, faculty, administration, advertisers, and our advisor, Miss Juanita Jones, we wish to express our appreciation for making this edition of the Milestone possible.

We hope you will find in these pages warm and happy memories that were a part of your school life at Berne Union in 1965-1966.

Dedication

To a man who lives before us in a silent manner but has set a wonderful example to all who have been under his leadership or in association with him in any way, we, the Senior class, with deep appreciation, for his service to us as a teacher and friend dedicate this, the 1966 MILESTONE, to Mr. Jay Nimon.

Miss Jones will never be able to express the importance of not looking at the keyboard to Randy Later and Keith Miller. As you can see, Tom Thimmes, Tom Groves, Bob Boerstler, Diane Spangler, and Pam Boerstler have learned the well-taught lesson.

Everyone knows that busy Charles Covan never stops working.

Vocational Home Economics

Berne Union has one of the six Job Training Programs in Home Economics in Ohio. This is the only one for training Food Service Workers. The girls take two periods a day in quantity cooking and related arts. The other periods are used for required courses.

These girls work a minimum of 15 hours a week up to 30 hours a week in restaurants, hospitals and other eating establishments.

Chess Club

As stated in Article II of our constitution, the purpose of the Chess Club is to bring about a better knowledge and understanding of the game of chess. This is done through discussion groups and the chess tournament.

Chess is an ancient game, dating, it seems, from at least 1,000 BC. From India the game went to Persia and then to Europe. Richard, the Lionhearted, is said to have whiled away his days of imprisonment with chess.

This club is now at Berne Union and joining may reveal that chess can be just as enjoyable for the student of today as it was for the great masters of the past.

Pep Club

The Pep Club is an organization dedicated in promoting school spirit. It participates in many activities. No dues are collected, but instead they engage in selling programs, shakers and making money in other similar ways. The club works hard in order to achieve good sportsmanship not only among themselves, but to the other students, also.

He was a graduate of Athens High School where he received letters in baseball and football and was all-state for three years. After graduation from high school, he received offers to play baseball at Milwaukee and Philadelphia, but chose to take a football scholarship to Miami. Coach Wickerham played in the Tangerine Bowl in his junior year at college and received a gold watch as outstanding football player in his senior year.

Coach Wickerham has added a wrestling and weight-lifting program, and is now working for a master's degree in guidance counselling.
