

LOW COUNTRY HERB SOCIETY SCHOLARSHIP

The Low Country Herb Society, a group whose purpose is to stimulate an increased awareness and knowledge of herbs, to sponsor and cultivate related herb programs in the community and to gain knowledge and stimulate interest in the planting, harvesting and uses of herbs, is pleased to offer **two \$1000 scholarships** to students living within Horry and Georgetown counties. To be eligible students should show an interest in herbs and their uses and intend to pursue a career path that will involve herbs. The scholarships will be awarded to students who plan to attend two/four- year colleges or accredited technical institutions and to study horticulture, landscaping, culinary arts, medicine, pharmacy, or related field programs. LCHS is also offering **one \$500 award** to a student who will enroll in the Horry Georgetown Technical College Culinary Arts Program in the Fall.

Graduating seniors may apply by submitting a short essay describing their future career plans, program of study and interest in herbs. Students are asked to include contact information such as email address, mailing address or cell phone number. **Essays should be turned into the student's guidance counselor by Wednesday, April 1, 2026.**

Low Country Herb Society's scholarship committee will meet prior to April 15th to review essays and determine scholarship recipients. Guidance personnel will be notified immediately after the award winners are decided. Scholarship payment will be made after the student verifies the school he or she will be attending. Payment will be made directly to the institution or by presenting receipts for educational expenses.

The LCHS will hold its annual picnic on **Tuesday, May 12** and the society would enjoy having the recipients, their guidance counselors and parents attend the function. The membership would appreciate the students reading their essay at the event.
