Parent-Teacher Conferences

Families, this is a reminder that to help our teachers fit in all students for conferences and ensure that all caregivers receive the same information, we will be offering only **one conference per child**. Thank you for understanding.

Highlights of the Week

Mrs. Schlenker - 1st Grade Highlight of the Week

In Mrs. Schlenker's first grade class, it is a class habit to take daily movement breaks! Each day we take breaks to dance, stretch, breathe, and wiggle. Taking frequent movement breaks throughout the day helps to support their learning and focus in first grade. Each day, students take turns leading the class in a short breathing and stretching routine, which builds confidence and gives them ownership of our classroom community. These breaks are something they truly look forward to and often ask for when they feel their bodies need it. Taking time to move helps students reset, regulate their energy, and return to learning feeling calm, focused, and ready to do their best!

2nd Grade Super Bowl Rotations

Our 2nd graders celebrated Super Bowl fun with rotations. This included playing bingo, decorating helmets and creating a team name, staying active with a football toss, and a friendly math competition. Mixing up the classes gave students the chance to learn, play, and have fun with new friends across our 2nd grade community.

Fresh Fruits and Vegetables Program

DCSD Announces NEW Fresh Fruits & Vegetable Program For Grades PK-6

The Fresh Fruits & Vegetables Program brings healthier food choices into our schools and encourages kids to try a wide variety of fruits and vegetables.

- Students in participating schools eat 1/3 cup more fruits & veggies per day.
- Each snack comes with a fun educational component to promote healthy habits.
- Fruits & veggies will be served twice a week, with a calendar shared with families.
- EBH: Cart open 8:00–10:45 AM & 1:00–1:45 PM
- Primary School: Cart open 8:00–10:45 AM

This program supports nutritious snacking and helps build lifelong healthy habits!

Dansville is ONE of ONLY
88 School's in NYS to
participate in this
program.

Tardy Arrival (After 7:55 am)

If your child arrives at school after 7:55am, he/she is considered tardy. Please walk your child into the school main entrance to complete an excuse. Then staff will give your child a tardy pass and he/she can walk to class independently.

Absences

Please continue to let us know in advance if your child will be absent from school. You can send a message through ParentSquare to your child's teacher and PS Office. If we don't have a reason in advance, you will receive a message through ParentSquare that we ask you to respond to with a reason for the absence.

The Village

Now via
ZOOM!

Connecting families, sharing resources,
and celebrating every milestone!

What is The Village?

They say it takes a village, and we've got the ultimate village right here in Liv. Co! This family engagement group is meant to serve as the go-to hub for families with kiddos from ages 0 to 21, facing challenges - be it suspected or diagnosed delays, medical conditions, behavioral or emotional challenges, or developmental disabilities. This group is also a great way for families to find in-person support, access resources, or just connect with others.

This group is hosted by the Livingston County Children and Youth with Special Health Care Needs (CYSHCN) program but open to all.

Concerned about your child's communication and play skills?

Join our study to learn strategies to support your child's communication development alongside other parents on Zoom!

Who can participate?

English-speaking parents/caregivers and children 18 months to 8 years with suspected or diagnosed autism.

Families living anywhere in New York State can participate in the study!

What will you and your child do in the study?

You and your child will participate in a free 6 week training program consisting of three 1.5-hour group teaching sessions with other parents and three 1-hour individual coaching sessions. **All sessions take place on Zoom.**

The program will include learning evidence-based strategies that can be used to support the growth of your child's communication and play skills. Your child only needs to attend the individual sessions.

You will be asked to complete online surveys and participate in a Zoom interview and recorded parent-child play session before/after the program.

Want to participate? Scan the QR code to complete an interest survey.
