

Important High School Health Notice

Immunization Requirement for the 2026-2027 School Year

All in-coming 11th grade students for 2026-2027 are required to have a booster immunization of Meningococcal (MCV4) (serogroup A, C, W, and Y).

Per the Ohio Department of Health (ODH) immunization requirements, Ohio Revised Code 3313.67 and 3313.671, all of Ohio's in-coming **11th grade students must be** vaccinated against the **Meningococcal (MCV4)** be receiving their 2nd dose.

Written verification from your child's health care provider, indicating the complete date (month/date/year) and type of vaccine (MCV4) that your child received, is required to be turned into the school health staff by May 28, 2026, for the 2026-2027 school year. If your child has already been vaccinated with the additional requirements of **MCV4**, please forward written documentation from your health care provider to Ms. Bradley, School Health Aide, as soon as possible.

If your child has not yet been vaccinated with the meningococcal vaccine, please be certain your child receives these vaccines and provide the school with written verification from your health care provider of the date/s received and type of vaccine that was administered. This documentation is due by **Thursday, May 28, 2026**, for the academic school year **2026-2027**. Refer to your child's health care provider for any additional questions.
