#1 | Education is Christ-centered

At a Christian school, faith isn't an add-on; it's the foundation of everything we do.

From the classroom to the playground, Christ is at the center of the learning experience. Students are taught to see the world through a biblical lens, integrating faith into every aspect of their education.

This Christ-centered approach helps students develop a strong moral compass, guiding them in their decisions and interactions with others.

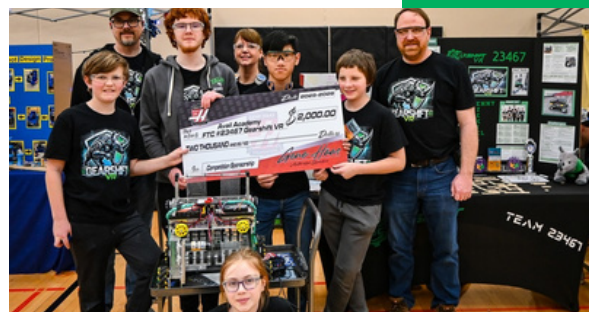

#2 | Academic Excellence

Christian schools, such as Avail Academy, are dedicated to academic excellence. We offer rigorous, challenging curricula designed to prepare students for higher education and beyond.

Our small class sizes allow for personalized instruction, ensuring that each student receives the attention and support they need to succeed.

With a strong emphasis on critical thinking, creativity, and problem-solving, students are equipped to excel in their academic pursuits.

#3 | Values-Based Education

In a Christian school, education goes beyond academics. Students are taught values such as integrity, respect, compassion, and responsibility –values that are rooted in biblical teachings.

These principles are woven into every lesson, helping students develop strong character and a sense of purpose.

This values-based education fosters a positive school culture where students learn to love God and love others.

#4 | Safe & Nurturing Environment

Safety is a top priority in Christian schools. Our campuses are designed to provide a secure, nurturing environment where students can learn and grow without fear.

With a strong sense of community, students feel supported by their peers, teachers, and staff. This safe environment encourages students to take risks, try new things, and develop confidence in their abilities.

#5 | Strong Sense of Community

Christian schools foster a strong sense of community among students, families, and staff.

At Covenantal Christian schools, like Avail Academy, the partnership between school, church, and families is paramount. This collaborative approach creates a tight-knit community where students are known, loved, and supported.

The relationships built in this environment are often lifelong, providing a network of encouragement and accountability.

#6

Dedicated & Passionate Teachers

Christian school teachers are more than just educators; they are mentors and role models who are deeply committed to the spiritual and academic growth of their students.

At Avail Academy, we consider our teachers to be a living curriculum, a guiding example for students in how to live a life that honors God.

Teachers integrate faith into every subject, guiding students not only in their studies but also in their walk with Christ.

With a passion for teaching and a heart for ministry, our faculty members are dedicated to helping each student reach their God-given potential.

#7

Comprehensive Character Development

Character development is a key focus in Christian education.

Students are encouraged to develop qualities such as humility, perseverance, and generosity—traits that are essential for success in life.

Through service projects, leadership opportunities, and daily interactions, students learn to live out their faith in practical ways, making a positive impact on their communities and the world.

#8 | Preparation for Lifelong Faith

In a Christian school, students are equipped not only for academic success but also for a lifetime of faithfulness to God.

They are taught to apply biblical principles to real-life situations, preparing them to navigate the challenges of adulthood with wisdom and grace.

By instilling a deep love for God's Word and a commitment to Christian living, Christian schools lay the foundation for a lifetime of faith.

#9

Supportive Co-curricular Activities

Christian schools offer a wide range of co-curricular activities that support students' spiritual, academic, and social growth.

Whether through sports, music, drama, or service clubs, students have the opportunity to explore their interests, develop their talents, and build strong friendships in a Christ-centered environment.

These activities provide a well-rounded education that extends beyond the classroom.

#10 | Long-Term Impact

The impact of a Christian education extends far beyond the years spent in school.

Graduates of Christian schools are often well-prepared for the challenges of college and career, equipped with a strong faith and a solid academic foundation.

More importantly, they leave with a deep sense of purpose, ready to live out their faith in every area of life.

The values, relationships, and experiences gained in a Christian school stay with students for a lifetime, shaping who they become as adults.

Discover Avail Academy

Avail Academy is a Christian academy with three campuses for students in grades Pre-Kindergarten through 12th grade. Our students are known, loved, and encouraged every day.

Three Campuses Across the Twin Cities:

- Blaine, Minn: PreK - 8th grade
- Edina, Minn: PreK - 8th grade
- Fridley, MN: High School

A Distinctive Approach: Teaching for Transformation

Through Teaching for Transformation, students learn to see God's story in every subject. They discover their "Deep Hope," practice living it out, and grow into people who impact the world for Christ.

Athletics & the Arts

- Valor Athletics: Whether on the court, field, or track, students compete with excellence while developing teamwork, perseverance, and character.
- Creative Arts: From theater to choir, band to visual arts, students use their God-given gifts to create beauty and share truth.

Friendships for Life

Our students form lasting relationships rooted in faith and shared values. The community they build here often extends far beyond graduation.
