WEEK 1 (6/22 - 6/26): THEME PARK RUN

Week 1 of Summer Camp is blasting off with Theme Park Run, and we're kicking things off with an exciting start! Campers will decorate their own theme park tickets, design roller coaster marble runs, and create clay theme park foods inspired by their favorite rides and treats. The fun continues with hands-on activities like shaved ice slime that bring cool summer vibes. To wrap it all up, campers will enjoy a high-energy Carnival Field Day filled with games and friendly competition. Get ready for an action-packed week full of creativity, movement, and nonstop fun!

WEEK 2 (6/29 - 7/2): TASTE OF SUMMER

Get ready for a week that tastes, splashes, and shines like summer! Taste of Summer is a four-day adventure packed with hands-on fun your kids will be talking about all season long. We kick things off with Bite of Summer, where campers become mini chefs and run their own food stalls—creativity (and yummy treats!) included. As the week heats up, campers will cool down with exciting water-themed activities like water candles and aquatic terrariums, then explore sunny science with crowd favorites like solar s'mores and color-changing lemonade. We'll end the week with an unforgettable Backyard Bash—think classic summer games like egg relay, sack races, cornhole, face painting, and a super-fun Bring Your Bike Day.

WEEK 3 (7/6 - 7/10): CAMP HOLLYWOOD

Lights, camera, action!
Join us for Camp Hollywood, where campers become stars for the week. Kids will practice daily for a fun Talent Show, sing their hearts out at karaoke, create DIY mansions, decorate their own records, and strike a pose with red carpet photos. The week wraps up with a glamorous red carpet after-party after the talent show—and so much more! Get ready for a star-studded week of fun!

WEEK 4 (7/13 - 7/17): CLUB CONNECTION CLASSICS

Get ready for Classic Camp Week—all the summer camp favorites in one unforgettable week! Campers will build giant playground forts, enjoy an ice cream taste test, and face off in an epic staff vs. kids kickball game. We'll get messy at the slime bar, play the legendary Grog game, and create DIY sun visors. The week wraps up with a fun Bike Day and bike wash—plus so much more classic camp fun!

Get ready for a full week bursting with color, creativity, and emotional expression! Each day, campers will explore a new way to connect with their feelings through hands-on activities. They'll spread positivity with Kindness Heart Cards, let their imaginations soar during Kite Decoration, get artsy in Palette & Punch: Draw Your Favorite Angry Bird Character, relax with Water Bead Stress Balls, and find calm while designing their very own Zen Gardens. Throughout the week, campers will celebrate teamwork, self-expression, and the power of color as they dive into each fun-filled challenge. And to wrap up this vibrant week: The BIG COLOR RUN, followed by refreshing WATER PLAY to cool off in a splash of excitement! A week of creativity, emotion, and unforgettable colorful adventures—let the colors fly!

WEEK 6 (7/27 - 7/31): CLUB CONNECTION MARKET

Week 6 of Summer Camp, Club Connection Market, is all about creativity, teamwork, and fun! Campers will enjoy hands-on activities like a Mystery Supermarket Sweep, making homemade butter, and crafting ice cream–inspired soap. We'll also mix up a tasty market snack mix and prepare for our very own Club Connection Market experience. This week focuses on the excitement of making, sharing, and selling in a playful, kid-friendly way. Get ready for a fun-filled week of creativity and connection!

WEEK 7 (8/3 - 8/7): H2O YEAH!

Dive into a week of fun during our "H2O Yeah!" week of summer camp! Campers will cool off and get moving with exciting water relays, testing their teamwork and speed through splash-filled challenges. Laughter will fly during our water balloon toss, where coordination and quick reflexes are the key to staying dry! Creativity flows as campers create their own "Wave in a Bottle," learning how water moves while designing a colorful keepsake to take home. To top it all off, each camper will get the chance to adopt their very own sea creature, sparking imagination, responsibility, and a love for ocean life. This week is packed with hands-on activities, refreshing fun, and ocean-inspired adventures that will make waves all summer long!

WEEK 8 (8/10 - 8/14): ANIMAL PLANET

We're ending summer with a wild adventure! Campers will explore the amazing animal kingdom through hands-on activities and creative play. Highlights include Put Me in the Zoo, Make-Your-Own animal soap, an animal print scavenger hunt, and our always-adorable Adopt-a-Pet Stuffy experience. To top it all off, we'll have a special visit from the Reptile Guy for an up-close, unforgettable enrichment experience. It's the perfect way to celebrate the final week of summer camp—packed with learning, laughter, and lots of animal fun!
