

Important Notification: Social Networking Account Privacy Rights

Dear Parent/Guardian and Students,

In compliance with state regulations, Prairie Hills Elementary School District 144 wishes to inform you of your rights regarding personal social networking accounts.

- **No Password Requirement:** School officials may not request or require a student to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
- **Investigations:** If the district has reasonable cause to believe that a student's social media account contains evidence of a violation of school's disciplinary rules or policies, the district may investigate.
- **Cooperation:** While we cannot require password access, students may be asked to cooperate by providing specific information or content from their accounts to assist in a factual determination of a disciplinary matter.
