

MAD LEARN APP DEVELOPMENT SUMMER CAMP!

Rising 7th, rising 8th, and rising 9th grade students will design, build, and test their own app using MAD-learn's design thinking process. Camp wraps with a fun pitch-style competition and the chance to win prizes.

June 1–4, 2026
8:30 AM–3:30 PM
Southwest DeKalb HS

EXPLORE A PROBLEM

Choose a real-world issue you care about and define a clear problem that your app can solve.

DESIGN + BUILD YOUR APP

Turn your idea into an app by designing screens, building features, and testing as you go.

PITCH + SHOWCASE

Demo your app, share your design choices, and celebrate what you built.
