

2026 Scholars Academy Program

Foundational Support
& Enrichment for
Grades 3-8

Scholars Academy will provide academic support to third through eighth grade students. Foundational, standards-based instruction and practice will assist students with reaching proficiency in the areas of reading and mathematics. Additionally, the program will provide enrichment in visual/performing arts, physical education, and/or music.

Free to attend! Free transportation! Free breakfast & lunch!
Eligible students will receive registration information from their school.

June 8-18, 2026

Grades 3-5: 7:45 AM - 1:00 PM

Grades 6-8: 8:10 AM - 2:00 PM
