

Enrichment Schedule for Long Beach Island Elementary School

March & April 2026

Please review your email for detailed descriptions of each course being offered.

To register your child, **please complete and return this form by Thursday, Feb 26.**

Enrollment is limited, and **spaces will be filled on a first-come, first-served basis.**

On **Friday, February 27**, your child will receive a paper confirmation sent home in their backpack indicating which program(s) they have been placed in. This confirmation will also include payment information for any applicable fees.

For the 2026 Enrichment cycle, the PTA will collect a small administrative fee to help offset the cost of programming.

In order to join PTA Enrichment courses, a **parent/guardian from the child's family must be a current PTA member**. If you are not already a member, you must join in order for your child to participate. Please note that PTA membership is valid for **one school year only** and must be renewed annually (so even if you joined for the 2024-5 school year, you must rejoin each year). This requirement is necessary for liability purposes, as the PTA carries its own liability insurance. The membership form is included in the email.

Please note, fee waivers for those who need them will be given confidentially. Please do not hesitate to reach out and email lbptaenrichment@gmail.com.

Please submit one completed form per student. This form has **four required sections**, all of which must be completed in order for your child's registration to be processed: Basic Information, Enrichment Selections, Parent Chaperones, and Permission to Participate in PTA Enrichment Programs. **Incomplete forms may delay or prevent enrollment.**

Parent Chaperones

In order to run this program, we need parent chaperones for the parent-led enrichment programs (and the Skateboarding Club). Please consider volunteering. If you are able, check off which course you are interested in and circle the dates you are available. It is ok to volunteer for a single date of a multi-date club. It is also okay to volunteer for programs your child is or is not participating in. We will confirm your dates when we send home your child's confirmation on Friday, Feb 27th. Thank you!
